NATAUGA HALL

North Carolina State University

North Carolina State University is a national center for research, teaching and outreach. As a Land-Grant state university, it shares the distinctive characteristics of these institutions nationally—broad academic offerings, extensive public service, national and international activities, and large-scale extension and research programs.

The University is organized into nine colleges, the School of Design, the Graduate School, and the Division of Undergraduate Studies. The nine colleges include Agriculture and Life Sciences, Education and Psychology, Engineering, Forest Resources, Humanities and Social Sciences, Management, Physical and Mathematical Sciences, Textiles, and Veterinary Medicine. In addition, numerous other divisions, institutes and centers provide for a wide range of special academic, research, and extension programs.

NCSU's rich and varied academic programs offer students opportunities to earn baccalaureate degrees in 89 fields, master's degrees in 80 fields, and doctoral degrees in 51 fields.

The University has approximately 6,500 employees. Faculty and other academic personnel total around 2,775, including about 1,900 graduate faculty and 280 adjunct faculty.

Research and sponsored programs cover a broad spectrum of scientific, technological and scholarly endeavors supported by an annual budget of approximately $229 million.

Extension work on a statewide basis in each of the 100 counties and the Cherokee Indian Reservation carries the University's activities throughout the state.

NCSU's campus, located just west of the downtown area of Raleigh, totals approximately 1,800 acres—a figure which includes the central campus, the adjacent Centennial Campus under development and the campus of the College of Veterinary Medicine. In addition, NCSU has 88,000 acres on a statewide basis, including one research and endowment forest of 78,000 acres. Near the campus are 2,700 university acres which include research farms; biology and ecology sites; genetics, horticulture and floriculture nurseries; teaching and research forests; and areas such as Carter-Finley Stadium.

The University's Wolfpack athletics teams are well-known nationally. The basketball team was national champion in 1974 and 1983. The football team has been the Atlantic Coast Conference champion five times and co-champion twice and has won seven bowl games.

Numerous NCSU athletes have won NCAA, national and international honors.

North Carolina State University (along with Duke University and the University of North Carolina at Chapel Hill) is one of three Research Triangle Universities forming the points of a 30-mile triangle encompassing the Research Triangle Park where numerous major corporations have located research divisions.

NCSU's total enrollment is more than 27,000, including approximately 18,600 undergraduate students, 4,600 graduate students, 3,700 lifelong education students and 550 students in veterinary medicine. The student population consists of approximately 16,400 men and 10,700 women and includes 2,488 African-Americans and 1,353 other minority students. Students come to NCSU from every state in the union and at least 92 foreign countries are represented by 1,127 international students.

North Carolina State University is committed to equality of educational opportunity and does not discriminate against applicants, students or employees based on race, color, national origin, religion, sex, age or disability. Moreover, NCSU is open to people of all races and actively seeks to promote racial integration by recruiting more African-American faculty and recruiting and enrolling a larger number of African-American students.

NCSU is a member of the National Association of State Universities and Land-Grant Colleges, the American Council on Education, and the American Council of Learned Societies.

THE SUMMER SESSIONS

The Summer Sessions at North Carolina State University offer an extensive educational program planned to meet the varied needs and interests of approximately 15,000 students. Sixty departments offer instruction in more than 900 courses, approximately 90% of which are at the undergraduate level.

Each of the University's nine colleges and schools, with a combined faculty of more than 500, participates in the Summer Sessions. The schedule includes two "regular" five-week sessions and a ten-week session, as well as several dozen evening courses scheduled for the convenience of working adults.

Summer courses and special programs are designed for the new student, the undergraduate wanting to advance his or her academic standing at State, the graduate desiring to continue study and research during the summer months and for visiting students pursuing degrees at other institutions. Teachers who need to earn credit toward renewal of teaching certificates or advanced degrees in education and persons in professional fields who wish to keep abreast of new developments and trends also take advantage of State's summer programs.

ADMISSIONS

North Carolina State University is committed to equality of educational opportunity and does not discriminate against applicants, students, or employees based on race, color, national origin, religion, sex, age, or disability. Moreover, North Carolina State University is open to people of all races and actively seeks to promote racial integration by recruiting and enrolling a larger number of African-American students.

Students are admitted to the summer sessions in one of seven categories: 1) new freshmen, 2) new undergraduate transfer students, 3) new graduate students, 4) Lifelong Education students/summer visitors, 5) continuing North Carolina State University students, 6) former North Carolina State University students, and 7) suspended North Carolina State University students.

NEW FRESHMEN

Application forms for new freshmen should be obtained from the Director of Admissions, NCSU, Box 7103, Raleigh, North Carolina 27695-7103. The Summer Sessions application form in this *Bulletin* should *not* be completed. Applications should be submitted in the fall of the senior year in high school. The application deadline is February 1. A freshman applicant should be a graduate of an accredited secondary school. Nongraduates should have a high school equivalency certificate. The following high school preparation, or its equivalent, is necessary: English, 4 units; history or social studies, 2 units including U.S. history; mathematics, 2 units in algebra, 1 unit in geometry, or a third math for which algebra II is a prerequisite, additional advanced math is strongly recommended; science, 3 units, preferably biology, chemistry, or physics (one unit must be a laboratory science); foreign language, 2 units required.

Freshman applicants must take the Scholastic Aptitude Test (SAT) or the American College Test (ACT). These scores, together with the high school record, will be considered in determining admissibility.

Additional information concerning Admissions may be obtained by contacting the Undergraduate Admissions Office, 112 Peele Hall, Box 7103, Raleigh, N.C. 27695-7103 (919/515-2434).

NEW TRANSFER STUDENTS

Students seeking transfer admission into a degree program should obtain an application from the Office of Undergraduate Admissions and submit it before April 1. These students should not complete the Summer Sessions application in this *Bulletin*.

Students applying for transfer admission into a degree program must present a minimum of 28 semester hours of "C" or better work on courses applicable to the degree program to which they are applying. Although the minimum grade point average required for consideration is a 2.0 on a 4.0 scale, most programs require a higher GPA. College credits must have been earned at an accredited institution and should include a college level English and a college level math course applicable to the requested curriculum.

Students must be eligible to return to all institutions previously attended. Individual transcripts must be sent directly from the Registrar's office at each institution. The high school record must be submitted to show the appropriate course work in high school.

For students entering a degree program in the fall, 1994 semester or later, foreign language competency will be required for graduation. Students who are not able to show competency through high school or college transcripts will be required to take foreign language before graduation.

NEW GRADUATE STUDENTS

All students working towards advanced degrees must be enrolled in the Graduate School. An application for admission may be obtained from the Dean of the Graduate School, Box 7102, NCSU, Raleigh, North Carolina 27695-7102.

STUDENTS ADMITTED TO THE FALL SEMESTER

Any student accepted for regular admission for the fall semester wishing to attend either summer session should notify the Admissions Office, to change the date of entrance. He or she should *not* complete a Summer Sessions application.

LIFELONG EDUCATION STUDENTS (SUMMER VISITORS)

Lifelong Education students must complete the Summer Sessions Registration Application and N. C. Residency Form in the back section of this *Bulletin*. A Lifelong Education student is one who has never been formally admitted as a degree candidate at North Carolina State University. All students visiting from other schools will be classified as Lifelong Education students.

For registration information refer to the Lifelong Education section beginning on page 78 of this *Bulletin*.

Limitations—Persons found eligible to study as Lifelong Education students are not to assume that they have received formal admission to the University as either undergraduate or graduate degree candidates. To become a degree candidate, formal application must be made through the Undergraduate Admissions Office or the Graduate School. Lifelong Education students may not register for more than two courses plus one physical education course per summer session.

Course Availability—Persons found eligible may register for any course offered by the University, provided they satisfy the required course prerequisites and classroom space is available.

Academic Standards—The academic standards applicable to undergraduate students at the University also apply to Lifelong Education students.

CONTINUING NCSU DEGREE STUDENTS

Any regular NCSU degree candidate may attend the Summer Sessions. *The Summer Sessions application in this Bulletin must not be completed*, but registration procedures as listed on page 11 must be followed.

READMISSION OF FORMER NCSU DEGREE STUDENTS

Former NCSU degree students who wish to attend the Summer Sessions must apply for readmission through Registration and Records at least 30 days prior to the intended date of return. The readmission application may be obtained by writing to the Department of Registration and Records, NCSU, Box 7313, Raleigh, N.C. 27695-7313. *The Summer Sessions application in this Bulletin must not be completed*, but registration procedures as listed on page 11 must be followed.

SUSPENDED NCSU DEGREE STUDENTS

NCSU degree students suspended at the end of the spring semester, 1994, may attend one or both sessions of the Summer Sessions to become eligible to continue in the fall. *The Summer Sessions application in this Bulletin must not be completed*, but registration procedures as listed on page 11 must be followed. Students suspended prior to the spring semester, 1994, may attend one or both sessions of the Summer Sessions but should follow readmission procedures. The readmission application may be obtained by writing the Department of Registration and Records, NCSU, Box 7313, Raleigh, N.C. 27695-7313.

TELEPHONIC REGISTRATION INSTRUCTIONS

Welcome to **TRACS**—N.C. State University's Telephonic Registration Access to Computerized Scheduling. **TRACS** has been implemented to simplify the registration process and offer you a more convenient way to register for your courses.

The system will allow you to communicate directly with the university computer any time the system is open—from your home, at work, or any place in the world with a touch-tone telephone. You will call **TRACS** and use the touch-tone key pad on the telephone to enter course requests. **TRACS** responds by giving you instructions or confirming the transaction.

The process is simple and easy. Just remember two key points: (a) you must follow instructions precisely, and (b) you must use a touch-tone telephone. Touch-tone telephones have a specific tone assigned to each key. Rotary telephones or other push button phones will not work.

Registration consists of three steps:

1) Determining course requirements and obtaining a PIN (Personal ID Number)
2) Planning your schedule and registering for courses using **TRACS**
3) Paying tuition, fees and all other debts to the University and clearing all "Holds" by the established deadlines.

STUDENT ACCESS TO TRACS . . .

Continuing Degree Students

If you are a currently enrolled degree student, either graduate or undergraduate, you must register using **TRACS**. Your advisor will give you your PIN at your advising conference.

New Graduate and Undergraduate Degree Students

If you are a new graduate or undergraduate (freshman and transfer) degree student cleared for admissions for the 1994 Summer Sessions, you will complete registration using **TRACS** by the deadline. It is not necessary for you to come to campus as the registration process can be completed on the telephone.

If you are a new undergraduate student, you must obtain a PIN from the coordinator of advising in your respective college or school (see below). If you are a new graduate student, you must contact the graduate administrator in your respective department to obtain a PIN. You should then register using **TRACS**. A list of graduate administrators will be provided by the Graduate School.

Lifelong Education (Non-degree) Students

If you are a student in this category (not formally admitted to either a graduate or an undergraduate degree program), you must complete your registration with the Office of Adult Credit Programs & Summer Sessions. See the section pertaining to the Office of Adult Credit Programs & Summer Sessions in the back of this *Bulletin*.

Readmission of Former Degree Students

If you are a degree student (graduate or undergraduate) previously enrolled but did not attend the 1994 spring semester, you **MUST COMPLETE** a readmission application and have received an official notice of readmissions **BEFORE** attempting to register. Readmission applications are available from the Department of Registration and Records, 1000 Harris Hall, Box 7313, Raleigh, NC 27695-7313, telephone (919) 515-2572. Once you have

Handicapped Students

If you are a student requiring special assistance from the University because of visual, hearing, or motor handicaps, you should contact Handicapped Services at the Counseling Center, 2000 Harris Hall, (919) 515-7653. You should make contact as far as possible in advance of registration deadlines.

REGISTRATION PROCESS FOR STUDENTS . . .

1. Determine Course Requirements and Obtain PIN

Degree Students — Advising begins March 21, 1994 and ends April 8, 1994. Advisors will help you plan your course schedule to meet graduation requirements. Although it is your responsibility for planning your program and meeting such requirements, advisors can offer valuable advice to help you achieve your goals. At your advising conference your advisor will also give you your Personal ID Number (PIN) that is needed to complete registration. Your four-digit PIN should be kept confidential to ensure the security of your registration.

Lifelong Education — (Non-degree students)—If you are a currently enrolled Lifelong Education student, you have already been mailed your PIN. New or reentering Lifelong Education students will be issued their PIN when they submit their Registration Application to the Office of Adult Credit Programs & Summer Sessions.

2. Plan Your Schedule

Using the Timetable Planner in this booklet, work out a class schedule that has no time conflicts. The section at the bottom of the Timetable Planner allows you to list your courses and all pertinent information for easy reference. List the courses you want to take in priority order. You may find it desirable to list courses with the fewest sections first. You also need to prepare alternative courses just in case some classes are full.

Complete the Telephonic Registration Worksheet and call **TRACS** using the instructions provided. If for any reason you are not eligible to register, you will be given an explanation.

3. Make Your Payment

You are responsible for full payment of tuition, fees and all other debts owed to the University and for clearing all "Holds" by the following deadlines:

Summer I and Ten-Week Session May 10, 1994
Summer II June 21, 1994

Failure to pay tuition, fees and all other debts owed to the University and to clear all "Holds" will result in your schedule being cancelled. NOTE: It is your responsibility to pay even if you do not receive a bill. A copy of your schedule will be mailed to you at your University Correspondence address approximately one week prior to the first day of classes.

TRACS WINDOW ACCESS DATES

Entrance to **TRACS** is done by specific **window access** dates. Window access is based upon your current classification. For example, seniors have a beginning window access of March 27. Juniors have a window access beginning March 30. Sophomores, freshmen, graduate students and Lifelong Education students each have specific window accesses as outlined below.

You cannot register before your window access is scheduled. Access will be denied if you try to register earlier than the time indicated. Classification is based on your standing when your window opens—not at the end of the current semester.

Window access dates for **both 1994 Summer Sessions and the Ten-Week Session are:**

Classification	Opening Dates
Seniors and Graduate Students DV, DR, MR, GR, PR, UN, 05, SR and 02 (AGI)	March 27
Juniors JR, 01 (AGI), plus all of the above	March 30
Sophomores SO, plus all of the above	April 6
Freshmen FR, plus all of the above	April 13
Lifelong Education Students SP (PBS - UGS), plus all of the above	April 19

TRACS HOURS OF OPERATION

TRACS telephone lines will be open as follows:

MONDAY through FRIDAY—7:30 a.m. to 12:00 midnight

SUNDAY—2:00 p.m. to 11:00 p.m.

Every effort will be made to maintain these hours of operation. You may use **TRACS** at any time the system is open, depending on your classification as described above. And you may use **TRACS** as many times as you like.

TRACS REGISTRATION PERIODS

Summer I and Ten-Week Session

Period #1 March 27 (2:00 p.m.)-April 21, 1994 (Midnight)

If possible, you should make every effort to register during Period #1. If you register during this time your chances of enrolling in specific times and sections are much better than they will be later. You will be sent a tuition bill for your tuition, fees and other outstanding debts. If you pay your tuition, fees and all other debts owed to the University and clear all "Holds" by **May 10, 1994 at 5:00 p.m.**, you will be mailed a confirming copy of the schedule you have created for yourself using **TRACS**. Failure to pay your tuition, fees and all other debts owed to the University and clear all "Holds" by May 10, 1994 at 5:00 p.m. will result in your schedule being cancelled.

Period #2 April 22 (7:30 a.m.)-May 6, 1994 (5:00 p.m.)

During Period #2 you may use **TRACS** to register. Billing will be done on a daily basis and a statement for the tuition, fees and other outstanding debts will be mailed to you the next business day. If for some reason you do not receive a statement, it will be your responsibility to determine and submit full payment to the University Cashier's Office according to the Tuition and Fees Schedule printed in this publication. A blank Cashier's Office Payment Form is included in the Tuition Information Section of this publication. Payment must be made by **May 10, 1994 at 5:00 p.m.** Paying your tuition, fees and all other debts owed to the University and clearing all "Holds" by May 10, 1994 at 5:00 p.m. will result in your being mailed a confirming copy of the schedule you have created for yourself using **TRACS**. Failure to pay tuition, fees and all other debts owed to the University and to clear all "Holds" by May 10, 1994 at 5:00 p.m. will result in your schedule being cancelled.

Late Registration May 20 (7:30 a.m.)-May 30, 1994 (5:00 p.m.)

TRACS will be open for Late Registration during this period for students who were unable to register during Periods #1 or #2. You should keep in mind that many courses and sections may have been filled by students who registered during the first two registration periods. If you register during this period you will be required to pay tuition, fees, and all other debts owed to the University and clear any "Holds" on your record, as well as pay a **$10.00 NON-REFUNDABLE Processing Fee IN PERSON** before you will be given access to **TRACS**.

PLEASE NOTE: It is your responsibility to pay tuition and fees and all other debts owed to the University and clear all "Holds" even if you do not receive a tuition statement.

SUMMER II

Period #1 March 27 (2:00 p.m.)-June 3, 1994 (Midnight)

If possible, you should make every effort to register during Period #1. If you register during this time your chances of enrolling in specific times and sections are much better than they will be later. You will be sent a tuition bill for your tuition, fees and other debts. If you pay your tuition, fees and all other debts owed to the University and clear all "Holds" by **June 21, 1994 at 5:00 p.m.**, you will be mailed a confirming copy of the schedule you have created for yourself using **TRACS**. Failure to pay your tuition, fees and all other debts owed to the University and clear all "Holds" by June 21, 1994 at 5:00 p.m. will result in your schedule being cancelled.

Period #2 June 5 (2:00 p.m.)-June 17, 1994 (5:00 p.m.)

During Period #2 you may use **TRACS** to register. Billing will be done on a daily basis and a statement for the tuition, fees and other outstanding debts will be mailed to you the next business day. If for some reason you do not receive a statement, it will be your responsibility to determine and submit full payment to the University Cashier's Office according to the Tuition and Fees Schedule printed in this publication. A blank Cashier's Office Payment Form is included in the Tuition Information Section of this publication. Payment must be made by **June 21, 1994 at 5:00 p.m.** Paying your tuition, fees and all other debts owed to the University and clearing all "Holds" by June 21, 1994 at 5:00 p.m. will result in your being mailed a confirming copy of the schedule you have created for yourself using **TRACS**. Failure to pay tuition, fees and all other debts owed to the University and to clear all "Holds" by June 21, 1994 at 5:00 p.m. will result in your schedule being cancelled.

Late Registration July 1 (7:30 a.m.)-July 11, 1994 (5:00 p.m.)

TRACS will be open for Late Registration during this period for students who were unable to register during Periods #1 or #2. You should keep in mind that many courses and sections may have been filled by students who registered during the first two registration periods. If you register during this period you will be required to pay tuition, fees, and all other debts owed to the University and clear any "Holds" on your record, as well as pay a **$10.00 NON-REFUNDABLE Processing Fee IN PERSON** before you will be given access to **TRACS**.

PLEASE NOTE: It is your responsibility to pay tuition and fees and all other debts owed to the University and clear all "Holds" even if you do not receive a tuition statement.

TRACS FACTS . . .

- In order to use **TRACS**, you must place the call from a touch-tone telephone. Rotary dial phones, or phones that make a monotone sound when the buttons are pushed will not work.
- If your touch-tone telephone has an automatic redial feature that is activated by pressing the [#] key, this telephone may not work with **TRACS**.
- If you are placing your call from an AT&T Merlin System, you might have to press the [#] key twice. If, when you press the [#] key, no tone is heard, press the [#] key a second time to see if there is a tone. If this is the case, then you will have to press the [#] key twice whenever asked to press the [#] key.

• **TRACS is available Monday through Friday from 7:30 a.m. to 12:00 midnight and on Sunday from 2:00 p.m. to 11:00 p.m.** For ease in reaching **TRACS**, we suggest you place your call before 9:00 a.m. or after 5:00 p.m. on weekdays, or anytime on Sunday.

• Do not attempt to call **TRACS** unless you have a completed Telephonic Registration Worksheet in front of you.

• You will know you have completed a successful transaction when **TRACS** informs you that you have added or dropped the requested class. If **TRACS** disconnects you, all successful transactions are safe and need not be entered again. If a course you have registered for is cancelled because of lack of demand, you will be notified by mail so that you will be able to select an alternative course.

• **If the system does not answer the telephone**, it is not working. Please call back later.

• **If the telephone rings busy**, all lines are in use. Please call back later. The best times to call are early morning or late evening hours.

• **The system may "time you out"** if you pause more than 30 seconds between entries or if your total transaction time exceeds 5 minutes.

• **A voice response** will guide you after each entry. Enter an entire sequence of keys when told to do so.

• **For registration of courses that require instructor or departmental permission**, the department teaching the course will either add you to the course on-line or issue you a form to to be taken to the Department of Registration and Records, 1000 Harris Hall.

• **If a course you have selected is full**, you will be asked to enter an alternative selection or your next entry. Or, you may request to be put on a waiting list if one is available for that course.

• If you have placed yourself on a wait list, that day and time have been reserved in your schedule. You cannot add another section of that course or another course that meets at the same day and time. Remember, the wait list ends with Registration Period #2. There are no wait lists during late registration.

• **Remember you must press the [=] key after each transaction.**

• To check your schedule at any time, call **TRACS** and enter [L] [=].

• There is a column headed "Seats" in the course listing section of this publication with two subheadings entitled "MAX" and "RESTR". The "MAX" indicates the maximum number of seats available for that particular section. The "RESTR" indicates the number of seats that are restricted or reserved for a particular purpose. A note describing the restriction appears as a note just above each course listing in this publication. Remember that scheduling restrictions may apply to all or part of the seats in a particular section. Be sure to check the number of unrestricted seats before you assume a section is completely restricted.

• To determine building and room number information for a course already in your schedule, use the [L], call number, and [=].

• The Open Section Inquiry function allows you to see if a certain section of a course is available without having to try to add the course. The Open Section Inquiry function simply checks to see if a requested section is open or closed. It does not check to see if the section has any scheduling restrictions.

USING TRACS

COMPLETING THE TELEPHONIC REGISTRATION WORKSHEET . . .

1. **Write in the ACTION CODE in the space provided.** The action code activates the computer. The ACTION CODES for 1994 Summer Sessions are:
Summer I and Ten-Week Session [R] [5] [=]
Summer II [R] [7] [=]

2. **Write in your Student ID Number and your Personal ID Number (PIN) in the spaces provided.**

3. **Transfer the course call number for each course you wish to take from the Timetable Planner to the course call number section on the Telephonic Registration Worksheet.** (The Call Number is a six-digit number found in the course listing section of this *Bulletin.*)

4. **Complete the Transaction Code section** by using the list of various transaction codes that follows. Familiarize yourself with these codes and their individual operations. Be sure to write the codes in the space provided on your **Telephonic Registration Worksheet** to avoid any confusion when registering.

You are now ready to use the system. After dialing **899-NCSU (6278)** and accessing the system, you will be asked to enter a number of transaction codes on your telephone key pad. Use your **Telephonic Registration Worksheet** to guide you in completing the appropriate steps. **After each transaction, be sure to wait for a response before entering your next request.**

Step 1 **Enter the ACTION CODE**
The action codes for 1994 Summer Sessions are:
Summer I and Ten-Week Session [R] [5] [=]
Summer II [R] [7] [=]

Step 2 **Enter your Student ID Number (Social Security Number)**
Be sure after entering your number you press the [=] key.

Step 3 **Enter your four-digit Personal ID Number (PIN)**
Be sure after entering your PIN you press the [=] key.

Step 4 **Enter Your Request Now**
EXAMPLE: [A] [1] [2] [3] [4] [5] [6] [=]

Using the registration worksheet, enter your choice of courses one at a time. For each course enter *the transaction code, the course call number, followed by the # key* and wait for a response. **TRACS** will respond by verifying your registration or giving you other instructions and asking you to enter your next request.

There are two functions that will require additional action on your part:

Variable Credit—When the course is for variable credit, you will be asked to enter the number of hours you are requesting. You may enter up to the maximum number of hours allowed for the course.

Search—If the section you have requested is closed and another section is not available at the same time, you will be asked to press the # key to begin a search for the availability of the course at a different time or you may enter your next request.

Step 5 Checking Your Schedule/Exiting The System

Once you have entered all your requests, you can enter L followed by the # key, and the computer will list your entire schedule. You can use your list at the bottom of the *Timetable Planner* to double check the schedule. Then to terminate the call, press the T key followed by the #

DROP/ADD INFORMATION

Once you have initially registered, you may make schedule changes (drop/add) anytime **TRACS** is operational. You are encouraged to make your schedule changes as soon as you are aware that they need to be made. To insure easy access to **TRACS**, please make changes as early as possible.

TRACS will officially close at the end of the drop/add period:

Summer I and Ten-Week Session	**May 30, 1994**
Summer II	**July 11, 1994**

No adds will be allowed after these dates.

NOTE: These dates are the last day to drop or withdraw with a refund. Please refer to the official refund statement.

All drops processed after these dates must be handled in person at the Department of Registration and Records, 1000 Harris Hall. Lifelong Education students may process drops at the McKimmon Center Registration desk.

STUDENT IDENTIFICATION CARDS

North Carolina State University has a permanent photo ID/registration card called the AllCampus Card. AllCampus cards are used to gain access to various campus activities including: D. H. Hill Library, Clark Infirmary, physical education activities, Student Accounts, athletic events and University Dining's meal plan program. The AllCampus card is also the card used by debit account depositors to access their funds at University Dining locations, the NCSU Bookstore, and the University Laundry.

No fares are required on Wolfline buses of students showing a valid AllCampus Card.

Students continuing their studies during the Summer Sessions will use the cards they currently possess. New students can have their pictures taken and AllCampus cards made at the West Dunn Building located on the corner of Dan Allen Drive and West Dunn Avenue.

Office hours will be extended until 7:00 p.m. on May 24 and 25 and again on July 5.

Lost/stolen cards can be replaced any regular business day at the AllCampus Office from 8:00 a.m.-5:00 p.m. There is a nonrefundable $15.00 service charge for this replacement. For additional information, telephone 515-3090.

University Dining will also be offering one meal plan for the summer sessions.

15 meals per week	$230.00

For more information please come by the AllCampus office.

NCSU SUMMER PARKING INFORMATION

Although you may notice a large number of available parking spaces during summer school at NCSU, please remember that parking regulations are still in effect during these summer months. You must display a valid parking permit between the hours of 7:30 a.m. and 5:00 p.m., Monday through Friday. The Division of Transportation located in the Administrative Services Center on Sullivan Drive will be pleased to give you information regarding how to purchase a parking permit and alternate modes of transportation. Call (919) 515-3424 for details.

The following information is provided for students who must park their personal car on campus:

1. Students may acquire a parking permit for a vehicle owned by their spouse, parent, child, legal guardian or themselves.
2. Students must present their current motor vehicle registration card and AllCampus ID card when purchasing a permit.
3. Students whose classes begin after 5:00 p.m. may park in most campus lots in designated spaces between 5:00 p.m. and 7:30 a.m., Monday through Friday, weekends, and official University holidays except in those spaces marked as being "24 hour reserved" and any other no parking areas.

Wolfline bus service will be available during both summer sessions. Currently planned service areas are Avent Ferry, Fraternity Court/Centennial Campus, King Village/Vet School, including the park and ride lot located at the State Fairgrounds (corner of Blue Ridge and Trinity Roads). No permit is required in the park and ride lot. A valid student AllCampus Card is all that is required to ride the bus.

We hope this information will assist you in planning your parking needs for summer school. If you should have any questions, please contact the Division of Transportation at (919) 515-3424.

TRANSCRIPTS

Official North Carolina State University transcripts are a complete record of a student's academic work at the University. These transcripts are issued on official "SCRIP-SAFE" paper and carry the pre-printed signature of the University Registrar, the date of issue, and the pre-printed seal of the University.

An official transcript is issued only at the written request or authorization of the student concerned. Transcript requests must be made in writing, either by mail, FAX, or in person to the Department of Registration and Records, 1000 Harris Hall, Box 7313, North Carolina State University, Raleigh, North Carolina 27695-7313. FAX (919) 515-2376. TELEPHONE REQUESTS FOR TRANSCRIPTS WILL NOT BE HONORED.

When making a request, one must include one's full name (including any names you may have used while at N.C. State), social security number, date of birth, date of last attendance and the exact address (including ZIP code) where the transcript is to be sent.

CHARGES: Requests received in person or by mail must be accompanied by a check or money order for $5.00. FAX requests must be accompanied by a Visa or MasterCard number. NOTE: The transmittal of transcripts from the Department of Registration and Records via FAX will be billed to a Visa or MasterCard number at a cost of $10.00 per transcript. **These fees are nonrefundable.**

Transcript requests will normally be processed within 24 hours. However, a longer period of time may be required for processing at the end of each semester.

Official transcripts are not issued for those people who are indebted to the University until such indebtedness is paid or satisfactorily adjusted.

For more information, please contact the Department of Registration and Records, 1000 Harris Hall. Telephone (919) 515-2572.

WITHDRAWAL FROM THE UNIVERSITY

A degree student who finds it necessary to drop all courses will initiate withdrawal from the University at the Counseling Center, 2000 Harris Hall. A Lifelong Education student in the same circumstance initiates withdrawal from the University at the Summer Sessions Office, McKimmon Center, Gorman Street and Western Boulevard. A student who withdraws will not have any grades recorded. A student who discontinues attending classes without officially withdrawing will receive all "F" grades.

After a short period at the beginning of each session during which it is possible to withdraw with a refund of fees (less a nominal registration fee), there is a period during which a student may withdraw but without refund. The withdrawal deadline for undergraduates (regularly classified and Undergraduate Lifelong Education students) corresponds to the last day to drop a course at the 400-level or below; for graduate students (including Post-Baccalaureate students) the deadline for withdrawal corresponds to the last day to drop 500- or 600-level courses. (See the appropriate Summer Sessions Calendar for dates.) After the published deadlines, there is no withdrawal except for circumstances beyond the student's control which can be documented as, for example, extended illness. Under these circumstances a student may petition the *Fee Appeals Committee* for a prorated refund of tuition and fees.

SPECIAL NOTES

1. Students planning to take courses in both the First and Second Sessions should plan their sequences well in advance. Offerings in the Second Session are often substantially less in number than in the First Session, and in some instances, departments do not offer courses in both summer sessions.
2. Everything possible will be done to insure that the courses listed in this bulletin will be given at the time indicated. *However, the Director of Summer Sessions reserves the right to cancel courses in which enrollment is deemed insufficient.*
3. The maximum load for either session of the Summer Sessions is two courses plus a PE course for undergraduates and six hours for graduates. Any student may carry less. Regularly enrolled students who desire to carry *more* than seven hours must obtain the approval of the dean of the college or school in which they are enrolled. Students visiting from other institutions who wish to take more than the maximum must obtain the approval of the Director of Summer Sessions.
4. *All Lifelong Education students (including those from other universities and colleges) are advised that NCSU degree students are always given priority for Summer Sessions classes. Acceptance of the Registration Application for Lifelong Education students by the Summer Sessions Office in no way constitutes a guarantee that class space will be available.*

NONDISCRIMINATION POLICY

North Carolina State University is dedicated to equality of opportunity within its community. Accordingly, North Carolina State University does not practice or condone discrimination, in any form, against students, employees, or applicants on the ground of race, color, national origin, religion, sex, age, or disability. North Carolina State University commits itself to positive action to secure equal opportunity regardless of those characteristics.

North Carolina State University supports the protection available to members of its community under all applicable Federal laws, including Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 799A and 845 of the Public Health Service Act, the Equal Pay and Age Discrimination Acts, the Rehabilitation Act of 1973, Vietnam Veteran's Readjustment Assistance Act of 1974, Executive Order 11246, the Americans with Disabilities Act of 1990, and the Family Medical Leave Act of 1993. For information concerning these provisions contact:

PLANNING TO GRADUATE. . . .

If you plan to graduate at the end of the Summer Sessions, there are a number of items that should be of interest to you.

1. You should submit an Application for Degree card for *each* degree you are to receive. This should be turned in to your department within two weeks after the beginning of the Session. If for any reason you submitted an Application for Degree card last semester, but did not graduate, it is necessary that you submit *another Application* for the Summer Sessions. Remember: If you are to receive two degrees, you must submit a separate application for each degree.
2. Your local address and your official University correspondence address should be kept up-to-date. Also, the address you show on your Application for Degree card will be the address to which your diploma is mailed and also the address to which any further correspondence from the University will be sent. Any changes should be made by reporting your new address to the Department of Registration and Records, 1000 Harris Hall, Box 7313, Raleigh, NC 27695-7313.
3. If you are transferring hours from another university in order to graduate, this should be done before the end of the Summer Sessions. If you are enrolled at another institution and that institution is unable to furnish an official transcript by the end of this Session, you must have that university's Registrar send to the Department of Registration and Records a letter showing the course and grade with an official school seal and Registrar's signature. This letter must be received by the end of the Summer Session.
4. Correspondence course grades must be received, all "incompletes" and "late grades" cleared, and all fines and fees paid by the end of the Summer Session.
5. If you are eligible to take reexamination, it must be taken no later than 30 days after the date of the intended graduation.
6. If you would like to participate in the December, 1994 commencement exercises, contact your Dean's office at your earliest convenience. You will be placed on a mailing list to receive all necessary information about the graduation activities.

If you have any questions concerning the above information, please call Loretta Massenburg, Supervisor of Records, Department of Registration and Records, 1000 Harris Hall, telephone (919) 515-2572.

SPECIAL NOTICES

1. Students registering during Registration Period #1 will be mailed a statement of tuition and fees a few days after Registration Period #1 ends. Students registering during Registration Period #2 will be mailed a statement of tuition and fees on a daily basis immediately after they register. The statement *must* be returned with full payment or complete financial aid information by the indicated due date or the scheduled TRACS space *will be cancelled*. It is important to remember that it is the full responsibility of each student registering during Registration Period #1 and #2—whether they receive a statement or not—to make full payment or provide complete financial aid information to the University Cashier's Office by the appropriate due dates for each summer session. Failure to make full payment or provide proper financial information will result in the irretrievable cancellation of the prior class schedule. The NCSU Cashier's Office Payment Form appearing below can be used if a statement is misplaced or not received.
2. Students registering during Registration Period #3 (Late Registration Period) must pay tuition and fees *in person*, along with a late fee, *before* being allowed access to TRACS.
3. Required fees are included in the rates listed above and must be paid by all students. Students are entitled to the services, facilities, and programs offered by the Student Center, Health Services, Transportation Office, Physical Education Department, and Athletics Department. An itemization of required fees will be provided upon request.
4. Upon adding course work that results in an increased rate, students should pay at Room 1101, Pullen Hall. The tuition and fees charge is based on the official number of hours and courses carried at 5:00 p.m. on May 30, 1994 (First Summer Session and Ten-Week Session) or July 11, 1994 (Second Summer Session).

5. Returned Checks: A returned check fee of $20 will be assessed for dishonored checks. The University has the right to cancel the registration of any student whose tuition and fees are paid with a "returned" check.
6. College of Engineering Fee: All students enrolled in the College of Engineering (including the SBE, AST, BAE and TE curricula) will be charged this additional $35 per summer session fee.

RESIDENCE STATUS CLASSIFICATION FOR TUITION PURPOSES

To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least twelve months immediately prior to his or her classification as a resident for tuition purposes. To be eligible for classification as a resident for tuition purposes a person must establish that his or her presence in the State is, and during the requisite twelve month qualifying period was, for purposes of maintaining a bona fide domicile *rather than of maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education.*

North Carolina General Statute (G. S.) 116-143.1 is the governing law concerning resident status classification and sets forth statutory definitions, rules and special provisions for determining resident status for tuition purposes. Copies of the law and implementing regulations are found in *A Manual to Assist the Public Higher Education Institutions of North Carolina in the Matter of Student Residence Classification for Tuition Purposes* which is available for inspection in the Office of Undergraduate Admissions, 112 Peele Hall. Special situations concerning minors, the military, and marriage as they relate to residence status classification are addressed in *The Manual.* It is the student's responsibility to initiate a review of their situation when classification or re-classification as a resident for tuition purposes is sought.

Active military personnel assigned to North Carolina and their military dependents **may** be eligible to receive the benefit of the in-state tuition rate under G.S. 116-143.3. A student who qualifies for the in-state tuition rate under this statute is not considered a resident, but merely eligible for the benefit of the in-state tuition rate. Application for eligibility to be charged the in-state tuition rate under G.S. 116-143.3 must be made **prior** to initial enrollment or re-enrollment for which the student claims the benefit. Further application for such eligibility must similarly be made prior to the outset of each successive academic year of enrollment.

Questions concerning residence status classification should be addressed to the Director of Undergraduate Admissions, North Carolina State University, Box 7103, Raleigh, North Carolina 27695-7103, (919) 515-2434.

REFUND OF TUITION AND FEES

Students who officially withdraw from school on or before May 30 for the First and Ten-Week Sessions or July 11 for the Second Session will receive a full refund less a $25 registration fee. Refunds are not normally made after these dates.

However, special circumstances completely beyond one's control (e.g., medical withdrawal because of illness) might justify waiving deadline dates regarding refunds. Students have the privilege of appeal to the University Fee Appeals Committee when they feel special consideration is merited. Application for such appeals may be secured from the Department of Registration (1000 Harris Hall), Summer Sessions Office (McKimmon Center), or University Cashier's Office (1101 Pullen Hall). [Note: No refunds are granted for withdrawals or course load reduction that occur after June 8, 1994 (First and Ten-Week Sessions) and July 19, 1994 (Second Session) regardless of reason, since the University has already incurred the full enrollment costs.]

SUMMER SCHOOL ASSISTANCE

Financial aid awards will be made for summer sessions if funds are still available after the regular academic year. Federal College Work-Study, Federal Stafford Loans and/or Federal Perkins Loans will be given to eligible aid applicants whose academic programs require summer school attendance. Co-op, Forestry and Geology Camp students, students who will complete graduation requirements in summer school, and students required to take summer courses in order to register for student teaching, field work, or similar programs are examples of students with priority for summer school funds. Students who receive Federal Work-Study or a Federal Pell Grant (if the Federal Pell Grant was not used during one semester) should register for six credit hours in each summer session.

Students attending summer school for reasons other than those given in the previous paragraph will be eligible for University funds provided funds are available. If you apply for a Federal Stafford Loan, you must have a Free Application for Federal Student Aid on file. Federal Stafford Loan applications should be submitted to the Financial Aid Office.

In order to be considered for any type of financial aid, continuing students must have met the requirement for academic progress.

COUNSELING CENTER

The Counseling Center provides services designed to assist individuals in gaining a better understanding of themselves and their opportunities. Psychologists, professional counselors, and psychiatrists are available to evaluate and to work with students who have concerns such as: choosing a career; academic planning; identifying and coping with educational difficulties; developing greater self-understanding; drug and alcohol problems; developing more satisfying personal relations; and coping with stress or emotional crisis. Faculty members are encouraged to call if they have concerns about a student. All counseling is strictly confidential.

In addition to one-to-one and group counseling for individuals and couples, workshops are offered throughout the year in a variety of areas, including vocational exploration, test anxiety-reduction, and stress management.

Counseling services are available to all enrolled NCSU students without cost except for a minimum fee for career testing. Appointments may be scheduled over the telephone by calling (919) 515-2424 or in person by coming to 2000 Harris Hall. Some evening appointments are available, and a counselor is on call 24 hours a day through Health Services (919) 515-2563.

STUDENTS WITH DISABILITIES

Students desiring special assistance because of visual, hearing, motor handicaps or learning disabilities should contact Disability Services for Students, 2000 Harris Hall, (919) 515-7653. Those needing special assistance in scheduling courses should make contact as far as possible in advance of registration deadlines.

HOUSING

RESIDENCE HALLS

During the 1994 Summer Sessions, housing will be provided in the residence halls on a first-come, first-served basis for men and women who are enrolled for one or more courses.

Assignment to a room for a Summer Session does not guarantee that a room will be available for the Fall Semester. A student must be accepted by NCSU for Fall enrollment as a full-time student to be eligible to apply for University housing for the Fall Semester.

ROOM RENTALS AND APPLICATIONS

The rental rate for a five-week Session including telephone is $210.00 per person in a double room on main campus. Single rooms on main campus, if available, will be $290.00 per session. Double room spaces in Watauga

Hall will be $330.00 and single rooms will be $400.00 per session. Contact the Housing and Residence Life Office in Suite 1112 Pullen Hall or telephone (919) 515-2440 for further housing reservation information.

Residents will be permitted to change rooms after the first week of classes with the approval of the Housing and Residence Life Office. Check-in will begin for Summer Sessions as follows:

FIRST SESSION—Sunday, May 22, 1994 at 10:00 a.m.
SECOND SESSION—Monday, July 4, 1994 at 10:00 a.m.

HOUSING REFUND POLICY

Cancellation of a room reservation must be made in writing as follows:

(a) In person at the Housing and Residence Life Office in Suite 1112, Pullen Hall, Monday through Friday, between 7:30 a.m. and 5:00 p.m., on the cancellation form provided; or
(b) By mail addressed to the Housing and Residence Life Office, Box 7315, NCSU, Raleigh, N.C., 27695-7315.

The effective date of cancellation is the date notification is received at the Housing and Residence Life Office or the date the room is vacated, whichever is later. Residents who have moved out of their rooms must return their Check-Out Card to the Housing and Residence Life Office to avoid a charge for an improper check-out.

If the housing agreement is cancelled on or before the first day of classes, the rental fee paid will be refunded less a $35 processing fee. NOTE: Local telephone service charge is non-refundable. *If the housing agreement is cancelled AFTER 5:00 p.m. on the first day of classes, the housing charges will be a total of 50% of the session cost plus daily charges.* In cases of medical withdrawals, however, a $35 processing fee will be charged plus a daily charge from date of occupancy.

If a student fails to check in and secure his/her keys by 5:00 p.m. on the first day of classes, the housing agreement will be cancelled and the refund will be made as stated above.

STUDENT FAMILY HOUSING

The University operates E.S. King Village as an apartment complex for students with families, single graduate students and non-traditional students. This complex consists of 295 apartments (115 studios, 148 one-bedroom, and 32 two-bedroom). Interested students should write to Student Family Housing, NCSU, Box 7315, Raleigh, NC, 27695-7315, for housing applications or further information.

FRATERNITY HOUSES

Several of the 20 fraternity houses located on or adjacent to the campus provide housing for Summer Sessions students. Twelve of the 20 houses are fully air-conditioned and all provide furnished rooms and living areas. In addition, some houses offer board plans during the summer months. Any student interested in further details should write to the Office of Student Development, Box 7314, NCSU, Raleigh, N.C., 27695-7314 or telephone (919) 515-2441.

NCSU LIBRARIES

The NCSU Libraries contains more than 2.2 million volumes of books, bound journals, and federal government publications, and 3.7 million microforms. The library receives over 18,000 serials. The collection is especially strong in the physical and biological sciences, engineering, agriculture, textiles, architecture and design. The main D. H. Hill Library houses the vast majority of these publications. Four branch libraries—the Burlington Textiles Library in the Textile Building on Centennial Campus, the Harrye B. Lyons Design School Library in Brooks Hall, the Natural Resources Library in Jordan Hall, and the Veterinary Medical Library in the College of Veterinary Medicine—serve the special needs related to these disciplines. Also affiliated with the NCSU Libraries is the Learning Resources Library in Poe Hall.

The new NCSU Libraries Information System now offers access to an unprecedented array of online resources. Not only can users search the library's holdings by author, title, subject, and keyword, but they can also search the collections of Duke and the University of North Carolina at Chapel Hill, along with a growing number of other databases such as a federal documents database. Moreover, the new system provides gateways to electronic resources such as the online catalogs of libraries worldwide and the full text of electronic books and journals.

Access to information resources in other libraries is available through interlibrary loan. Borrowers cards are available for students and faculty who wish to use the library resources at UNC-Chapel Hill and Duke University.

The D.H. Hill Library has been a depository for U.S. government publications since 1924 and receives about 90% of these publications. The library also receives the microfiche research reports published by the Department of Energy (DOE), the National Aeronautical and Space Administration (NASA), the Educational Resources Information Center (ERIC), and the National Technical Information Service (NTIS).

Online computer-based literature searching is offered by the library from a number of databases such as ERIC, AGRICOLA (Bibliography of Agriculture), Psychological Abstracts, Sociological Abstracts, BIOSIS (Biological Abstracts), and Nuclear Science Abstracts. Users are charged only direct costs for this service.

Users may perform computer searches themselves without cost through the CD-ROM workstations located in the Reference and Documents Departments, and at branch libraries. Among the more than three dozen CD-ROM databases available are: ERIC, Disclosure (business and economics), MARCIVE (government documents), InfoTrac (general and business periodicals), Applied Science and Technology Index, NTIS, Compendex (engineering), Medline (medicine), and CAB (agriculture).

Facilities and equipment are also available for both individual and group use of audiovisual media within the library. The library's theater can be scheduled for group media presentations, and films in the State Library's film collection can be borrowed by the D.H. Hill Library's Media Center for academic use by faculty and students.

The scholar, student, and browser will each discover the materials and services of the library to be useful and enjoyable additions to his or her Summer Sessions program.

Library hours for the Summer Sessions are as follows:

Monday-Thursday	7:00 a.m.-10:00 p.m.
Friday	7:00 a.m.-6:00 p.m.
Saturday	9:30 a.m.-5:30 p.m.
Sunday	1:00 p.m.-10:00 p.m.

NCSU BOOKSTORES

Normal operating hours for the NCSU Bookstores (when classes are in session) are 8:00 a.m. to 6:00 p.m. Monday, Wednesday, Thursday, Friday; 8:00 a.m. to 8:00 p.m. Tuesday; and 10:00 a.m. to 5:00 p.m. Saturday. Summer hours are 8:00 a.m. to 5:00 p.m. Monday-Friday only.

SUMMER ACTIVITIES

Through many curricular and extracurricular activities, the Summer Sessions provide special opportunities to those students engaged in summer study. Interesting, informative and entertaining programs and activities are scheduled for each session.

A few of the more popular activities and special features include the Carmichael Gym athletic and recreation programs and the varied activities sponsored by the University Student Center.

The University's regular program of student personnel services is available to summer students. It includes the Counseling Center for educational, career and personal counseling; the Career Planning and Placement Center for career planning and placement; the Residence Life and Residence Facilities offices for residence quarters; the Financial Aid Office for financial assistance; and the Student Health Service for medical care.

Beyond the campus, the city of Raleigh offers cultural and recreational opportunities of interest to students. The Raleigh Little Theater presents several productions during the summer, the North Carolina Museum of Art sponsors gallery concerts and exhibits, and there are several swimming pools and city and state parks located in and around Raleigh.

UNIVERSITY STUDENT CENTER

The nub of campus summer activity is the University Student Center. The Center is supported in part by student fees, and all Summer Sessions students are invited to attend the programs and activities sponsored by the Summer Programs Board. These programs include movies and a variety of social and recreational events. Summer movies are shown in the University Student Center Annex, located at the corner of Cates Avenue and Dan Allen Drive.

The air-conditioned Center offers many facilities, including a television lounge, an art gallery, offices for student organizations, a game room, snack bar, theater and meeting rooms. The Craft Center in the Thompson Building has a full range of crafts programs.

University Student Center hours during the summer are:

Monday-Thursday	7:00 a.m.-10:00 p.m.
Friday	7:00 a.m.-5:00 p.m.
Saturday-Sunday	Closed

SPECIAL COURSES AND INSTITUTES

NCSU MIDDLE SCHOOL WORKSHOP— "CURRICULUM FOR EMPOWERING YOUNG ADOLESCENTS"

June 27-July 1, 1994

This activity oriented workshop is designed to help teachers and administrators develop substantive and stimulating curriculum that builds initative and responsibility in young adolescents. Particular emphasis will be placed upon interdisciplinary and experiential education.

Many presentations will be led by nationally recognized teachers and their students who are featured in NMSA's *Visions of Teaching and Learning: 30 Exemplary Middle Level Projects*, as well as teachers from North Carolina who have developed outstanding curriculum projects. Participants will be engaged in a variety of whole group activities and choice sessions exploring topics such as:

Curricular integration
Theme studies
Cooperative learning
Multicultural curriculum
Logic games
Learning centers
Simulations
Moral development
Community based education
Learning styles
Re-organizing school curriculum
Advisory curriculum
Service projects
Mini-courses
Integrating the arts
Discipline area activities
Outdoor education
Intramurals
Environmental education
Team approaches to curriculum

Emphasis in most sessions will be placed on activity, group involvement and sharing. Films, slides, small group discussions, work with classroom materials, design of curricula, and a variety of other learning techniques will be used.

The workshop will be directed by John Arnold, Coordinator of Middle Years Graduate Education at NCSU and will include presentations by Ross and Diane Burkhardt, Shorham-Wading River, NY Middle School; Eric Mortensen and students from the Paradise Project, Edmunds Middle School, Burlington, VT; Jerry Rudman, Elm Place Middle School, Highland Park, ILL; Bonnie Kane, Parker Middle School, Nash Co., NC; Pat Dalton and students from Carolina Friends Middle School, Durham, NC; Don Locke, NCSU-Asheville; Sherry Salyer, UNC-Chapel Hill; Jeanneine Jones, UNC-Charlotte; and many others.

Sessions will meet Monday through Friday from 8:30 a.m. to 3:00 p.m. at West Millbrook Middle School Media Center. The NCDPI will award 3.5 CEU credits to those who participate satisfactorily and complete a brief curriculum project. Enrollment is limited to 60. Motel rooms for approximately $18 per night per person, double occupancy will be available for out-of-town participants.

To register, contact Middle School Curriculum Workshop Coordinator, Department of Curriculum and Instruction, NCSU, Box 7801, Raleigh, NC 27695-7801. Or you may call (919) 515-3221 and request registration forms from the secretary. Space is limited. Registration must be completed no later than May 27, 1994.

THREE WEEK SUMMER SCHOOL FOR ADULT, EXTENSION, AND COMMUNITY COLLEGE EDUCATORS
May 24-June 10, 1994

The Department of Adult and Community College Education and the North Carolina Cooperative Extension Service offers a special three-week program of instruction designed to provide graduate study and professional improvement opportunities for educators. The intensive session assists county extension agents and specialists, administrators, and other adult educators to increase their understanding of topics such as current issues in human nutrition, environment and health, extension delivery systems, administrative concepts, and consumer economic skills.

The program is interdisciplinary; it enlists the professional competence of visiting and resident faculty. Courses meet daily in block schedule for morning and afternoon. Each participant may take a maximum of six semester hours.

Course offerings are listed below:

EAC 596C	Advanced Program Management for 4-H and Youth Development
EAC 596F	Programming for Hispanic Culture
EAC 596M	Instructional Design and Distance Education in Extension
FOR 592G	Advanced Forest Resources
NTR 590B	Understanding Diet, Nutrition and Chronic Disease
ANS 590D	Advanced Applied Reproductive Physiology
TOX 590F	Chemicals, the Environment and Health
TOX 590G	Introduction to Epidemiology for Health Programming
HS 595I	Special Topics: Certified Plant Professionals

Registration for this three-week session must be completed during the regularly scheduled registration times for the University's First Summer Session. Note detailed course listings by departments in this Summer Session Bulletin. For further information, contact: Bernadette G. Watts, Department of Adult and Community College Education, NCSU, Box 7607, Raleigh, NC 27695-7607. Phone (919) 515-2380.

SPECIAL INSTITUTE FOR SCIENCE TEACHERS

Renewal credits available.

Special application, registration

Instructor: Dr. Harriett S. Stubbs

Materials and stipends furnished to participating teachers. Special registration procedures required. Application deadline by March 15, 1994. Notification of acceptance April 15, 1994. To apply, contact Dr. Stubbs, at (919) 515-3311, or write for application form, SCI-LINK, 1509 Varsity Drive, Box 7632, Raleigh, NC 27695-7632.

TEACHING OF WRITING INSTITUTE
(Listed as ECI 544 & ECI 598 N)
July 5-August 3

The Capital Area Writing Project (CAWP) at N. C. State University is modeled after the highly successful National Writing Project and is one of eight sites of the North Carolina Writing Project network.

Experienced elementary and secondary teachers of English and other content areas are eligible for Fellowships. Community College teachers and teachers at private schools are also invited to apply for some support. A limited number of fees-paying applicants will also be accepted.

Applicants should have a marked interest in improving effectiveness in teaching writing and in sharing new knowledge with their colleagues. Participants will agree to conduct inservice programs as Teacher/Consultants within the Region. Application deadline is April 18, 1994.

Fellows will receive (at no cost) six hours of graduate credit from NCSU in the teaching of writing, a stipend, and a text of numerous writing activities and successful teaching strategies developed during the four weeks of the project.

Workshop sessions will be held five days per week, Monday through Friday. Mornings will be spent in journal writing, group response and editing. Because of the intensive nature of the workshop and occasional evening activities, dormitory residence during the week is recommended, though not required. Participants will be expected to attend an all-day orientation on Saturday, June 25. Participants will have a study day on July 29.

Registration for this Institute must be completed on the first day of class with the Project Co-directors. For further information about the Capital Area Writing Project at NCSU, please contact either Dr. Ruie Pritchard (NCSU) at (919) 515-1784 or Dr. Sally Buckner (Peace College) at (919) 832-2881.

HIGHLANDS BIOLOGICAL STATION

The Highlands Biological Station is a regional field station for biological research and education in the southern Appalachian Mountains. The Station was founded in 1927 by Clark Foreman and others who foresaw unlimited opportunities for field research on the rich biota of the Highlands region.

The Station today is an interinstitutional facility of the University of North Carolina. It is administered by Western Carolina University, located in nearby Cullowhee, a constituent institution of the University of North Carolina. The facilities of the Station are available for year-round use by qualified scientists who are engaged in research on the biota and environments of the southern Appalachian region.

Responsibility for the Station's programs is held by a nine-member Board of Directors that includes representatives from the biology faculties of several southeastern universities. Twenty-four colleges and universities support the Station through institutional memberships. The research program is guided by a Board of Scientific Advisors, composed of biologists from the associated institutions. The work of the Station is further supported by the Highlands Biological Foundation, Inc., a non-profit organization serving to promote and encourage research, education, and conservation in the region.

The Station offers several courses each summer at the advanced undergraduate-graduate level dealing with the special biological features of the southern Appalachians and with areas of study that are appropriate for investigation at a mountain field station. Credit for all courses is available from either Western Carolina University or UNC-Chapel Hill. The following courses will be offered in 1994.

Larval Amphibian Biology. June 6-17. Three semester hours. Richard J. Wassersug (Dalhousie University) and guest instructors. This is a lecture, laboratory, and field course addressing a variety of topics on the biology of amphibian larvae. Among the topics to be covered are: the identification of local larvae, the evolution of complex life cycles and metamorphosis, and the feeding behavior of tadpoles and salamander larvae. Assorted aspects of the morphology, ecology, behavior, and population genetics of amphibian larvae that reflect the special interests and expertise of the instructors will be emphasized. Students will conduct individual projects of their own design and execution. Prerequisite: General zoology.

Conservation Biology with Special Reference to Old-Growth Forests. June 20-July 1. Three semester hours. Peter S. White (University of North Carolina at Chapel Hill). This course examines the biological principles that are important in our efforts to conserve biological diversity. The setting of the Highlands Biological Station will allow us to examine and illustrate these principles through field work in Great Smoky Mountains National Park, the Blue Ridge Parkway, and Nantahala and Pisgah National Forests. Emphasis will be placed on the special role of old-growth forests in conservation biology. Such forests are well-represented in the region. Prerequisites: Courses in ecology or permission of instructor.

Freshwater Fishes. July 4-15. Three semester hours. Dr. Edward F. Menhinick (University of North Carolina at Charlotte). Collection, identification, ecology, and fisheries biology of freshwater fishes of North Carolina mountain streams. Resource management, conservation, and effects of pollution will be covered. Prerequisites: courses in zoology, ecology, or permission of instructor.

Ecological Research Techniques. July 18-29. Three semester hours. Team taught by Alan E. Stiven (University of North Carolina at Chapel Hill) and Thomas R. Wentworth (North Carolina State University). Week 1 (Stiven) will focus on experimental design methods with application to terrestrial and aquatic fauna. Week 2 (Wentworth) will focus on sampling procedures and analysis of forest vegetation. Prerequisites: general biology and one other life science course, or by permission.

Biology of Spiders. August 1-12. Three semester hours. Team taught by Frederick A. Coyle (Western Carolina University) and William A. Shear (Hampden-Sydney College). This course will cover most aspects of the biology of spiders. Lectures and discussions will be held daily, in the mornings and or evenings. Afternoons will be devoted to field work. The main objective of the field work will be the assemblage of a significant collection of the local spider fauna, which is extraordinarily rich; in the course of collecting, attention will be drawn to ecology and behavior. Most evenings will be available for students to work on identification. Prerequisite: General zoology.

Costs

Course fee: $325 course, charged to all students. Registration fees: **Either** Western Carolina University, $15 application fee and $51.75 registration fee; **or** UNC-Chapel Hill, $50 registration fee. Applicable only to students registering for credit. Courses may be taken without credit. Housing: $30 week.

The Highlands Biological Foundation, Inc. offers limited financial aid to qualified students. Further information on specific courses, financial aid, and application forms can be obtained by writing the Executive Director, Highlands Biological Station, P. O. Drawer 580, Highlands, North Carolina 28741.

EVENING SUMMER SESSIONS

Late afternoon and evening classes are scheduled during the First Session (May 24-June 28), Second Session (July 5-August 9), and the Ten-Week Session (May 24-August 10) for the convenience of Evening Degree students. Lifelong Education students and "traditional" day students who have summer jobs but who would like to remain academically active. Many of the evening courses offered in the 1994 Summer Sessions may be used toward fulfilling the basic requirements for a B.A. degree from

the College of Humanities and Social Sciences. Please refer to the Office of Adult Credit Programs & Summer Sessions' section at the back of this *Bulletin* for a complete course listing.

For information concerning the undergraduate evening degree and certificate programs in the College of Humanities and Social Sciences, contact Ms. Lynda Hambourger, Coordinator of Evening Programs, Room 106 Caldwell Building, or call (919) 515-2467. Ms. Hambourger's office is open until 7:00 p.m. Monday through Thursday and until 5:00 p.m. Fridays. For information concerning the programs offered by the College of Management, contact the Office of Academic Affairs in the College of Management at (919) 515-5565.

SUMMER INSTITUTE IN ENGLISH FOR SPEAKERS OF OTHER LANGUAGES
July 4-August 7, 1994

The Summer Institute in English for Speakers of Other Languages at North Carolina State University is a five-week, noncredit course of study of the English language and American culture. It is designed for individuals from other countries who intend to pursue university studies or specialized training programs in the United States. With an emphasis on developing competence in all aspects of English language usage, the program includes classroom instruction, use of language laboratories, and extensive opportunities for practicing English in actual communication situations. In addition, opportunities are available for students to become acquainted with life in the U.S. with weekend trips to places of historic, cultural and scenic interest.

Although the minimum age for applicants is 17 years, the Institute is open to all individuals from other countries who are interested in and think they may benefit from the program. It should be noted that the Institute retains the right to refuse admission to a student who arrives more than two weeks late. Students who are unable to arrive in time for the start of the program should inform the Institute of the date of their arrival.

Admission to the Institute does not imply admission as a degree candidate at North Carolina State University or any other campus of the University of North Carolina.

The Institute, which is sponsored by the Office of Continuing Education and Professional Development and the Department of Foreign Languages and Literatures, is under the direction of Dr. Barbara A. Fennell of the Department of Foreign Languages and Literatures. All classroom work is conducted on the campus. Classes, including language laboratory practice sessions, are held six hours a day, Monday through Friday, from 8:00 a.m. to 3:10 p.m. (Attendance at the Institute does not carry academic credit, although students who complete the program receive a certificate of attendance.)

The total cost of the five-week program is approximately $1,600. The cost of the Institute is estimated on the basis of residence hall accommodations and meals. Incidental expenses, such as laundry, dry cleaning, entertainment, etc., are not included. (Room rent includes sheets and towels.)

Course fee $900
Includes books, tuition, insurance, NCSU Student Center activities, and planned social activities.

Residence Hall fee $560
Includes 15 meals per week on campus

Weekend meals (estimated) $150

For further information about the Institute, write to Cheryl Miskell, Office of Continuing Education and Professional Development, NCSU, Box 7401, Raleigh, North Carolina 27695-7401. Telephone (919) 515-2261. Fax (919) 515-7614.

INDEPENDENT STUDIES

In addition to the classes listed in this *Bulletin*, many undergraduate courses are available through the Independent Studies (correspondence instruction) program. This program allows students to enroll at any time, to work at their own pace, and to take up to nine months to complete a course. For further information about the program, including a complete listing of courses, contact Independent Studies, The Friday Center, Campus Box # 1020, University of North Carolina, Chapel Hill, North Carolina 27599-1020. Telephone (919) 962-1107. Course listings are also available at the McKimmon Center Registration Desk.

COURSE LISTINGS

Courses are listed by department, departmental abbreviation and numerical designator. Semester hour credits for each course are given following the name of the course. Classes meet daily, Monday through Friday, except where specified to the contrary.

Courses numbered from one through 99 are preparatory courses carrying no college credit; courses in the 100, 200, 300 and 400 series are primarily designed for undergraduates; courses in the 500 series for graduates and advanced undergraduates; and courses in the 600 series for graduates only. Consent of the department is required to register for all practicum and individual special topics or special problems courses as well as internships and thesis or dissertation research.

All courses are subject to cancellation by the Director of Summer Sessions if there is inadequate enrollment.

Waiver of prerequisites is at the discretion of the instructor.

SECOND SUMMER SESSION

Adult Credit Programs and Summer Session

AFTERNOON AND EVENING CLASSES

THE OFFICE OF ADULT CREDIT PROGRAMS & SUMMER SESSIONS

Mailing Address

N. C. State University
Office of Adult Credit Programs
& Summer Sessions
Box 7401
Raleigh, NC 27695-7401
Attention: Lifelong Education students

Location

The McKimmon Center for Extension and Continuing Education
Corner of Western Boulevard and Gorman Street

Office hours are from 8:00 a.m. to 8:00 p.m., Monday through Thursday and from 8:00 a.m. to 5:00 p.m., Friday. Telephone: (919) 515-2265. Fax: (919) 515-4690. *THE OFFICE WILL BE CLOSED FOR UNIVERSITY HOLIDAYS ON APRIL 1, AND JULY 4, 1994.*

GENERAL INFORMATION

The Office of Adult Credit Programs & Summer Sessions is the contact point for individuals who have not been formally admitted to a degree program at the University but who wish to enroll in courses offered by the University. These "not-admitted" students (including Summer Visitors from other colleges and universities) are classified as "Lifelong Education students."

Essentially (and for the convenience of Lifelong Education students), the Office of Adult Credit Programs & Summer Sessions functions as a "branch office" of the Department of Registration and Records, Office of Admissions, University Cashier and Student Accounts Office, and a number of other University administrative offices.

Lifelong Education students should look to the Office of Adult Credit Programs & Summer Sessions for registration information, clarification of University policies and procedures, and for answers to other questions relative to taking courses at the University.

In general, Lifelong Education students may enroll in any course listed in this *Summer Sessions Bulletin* (day or night) provided they have satisfied any required prerequisites. Prerequisites are courses or levels of achievement that a student is expected to have completed successfully prior to enrolling in a course. A few classes are restricted to degree candidates only. Restrictive statements appear with the course listing in this *Bulletin* and/or the University's *Undergraduate Catalog* or *Graduate Catalog*. Applicants are responsible for checking the Undergraduate and Graduate catalogs to determine what prerequisites, if any, apply and to either satisfy the prerequisites or obtain from the instructor a written waiver of the prerequisites.

Lifelong Education students must take a *required* mathematics placement exam if they plan to enroll in an introductory mathematics course (MA 101, 103, 105, 114, 107, 111, 121, 131, or 141). Telephone (919) 515-7007 to schedule a test date.

Credits earned while registered as a Lifelong Education student accumulate on a transcript maintained by the Department of Registration and Records and may later be transferred to a degree program at NCSU or by transcript to another college or university. NOTE: *Lifelong Education students are required to adhere to the academic standards, policies, procedures, deadlines, etc. which apply to all students of the University.*

Whether you are a new Lifelong Education student, one who is currently enrolled or one who is returning after an absence of a semester or more, you are strongly urged to read the information that is included in this section as well as the information pertaining to *all* students which is included in the first few pages of this *Bulletin*. Your attention should be specifically directed to the TELEPHONIC REGISTRATION INSTRUCTIONS.

The general classification of "Lifelong Education student" is divided into two categories depending on whether the student already has a baccalaureate degree or not. A listing of the applicable policies follows:

UNDERGRADUATE STUDIES (UGS)

To be eligible to register as an Undergraduate Studies student (UGS), a person should:

1. have acquired a high school diploma or GED certificate; and
2. not have been suspended from any college or university, including NCSU, *within the last three years*, and
3. not be a degree candidate at North Carolina State University; or
4. be a high school student who has been recommended by his/her school and approved by the Undergraduate Admissions Office to take lower level courses through the established Academic Enrichment Opportunities (AEO) Program.

POST-BACCALAUREATE STUDIES (PBS)

The following policies apply to individuals who wish to register as Post-Baccalaureate Studies students (PBS):

1. All must have baccalaureate degrees from accredited institutions of higher education.

2. All classes taken for credit by PBS students will be graded in the usual manner that applies for the particular course (A, B, C, D, F, or S, U). All courses taken at NCSU will show on the student's transcript. If the student is admitted as a graduate student, a maximum of nine hours may apply toward the minimum requirements of the degree for which the student is enrolled, including hours approved for graduate credit while classified as a senior, unclassified undergraduate or professional engineering student.
3. The grade point average (GPA) of a graduate student who has credits in the PBS classification will include only those PBS credits which become part of the Plan of Graduate Work. However, no course taken six (6) years prior to enrollment into a program will be considered in the GPA calculation.
4. Registration is limited to a maximum of two courses per session. Individuals who are employed full-time should limit their PBS registration to one course per session.
5. The PBS classification carries with it no implication that the student will be admitted to the Graduate School in any degree classification.
6. All course work accepted for degree credit must be approved by the student's advisory committee as being germane to the program. Requests for degree credit for courses completed in the PBS classification are considered after admission to a graduate degree program when the student's Plan of Graduate Work is filed with the Graduate School.
7. PBS students are expected to familiarize themselves with Graduate School policies and to seek further advice or clarification as needed.

STUDENTS WITH DISABILITIES

Students desiring special assistance because of visual, hearing, motor handicaps or learning disabilities should contact Disability Services for Students, 2000 Harris Hall (919) 515-7653. Those needing special assistance in scheduling courses should make contact as far as possible in advance of registration deadlines.

COUNSELING SERVICES

The Counseling Center provides services designed to assist individuals in gaining a better understanding of themselves and their opportunities. Psychologists, professional counselors, and psychiatrists are available to evaluate and to work with students who have concerns such as: choosing a career; academic planning; identifying and coping with educational difficulties; developing greater self-understanding; drug and alcohol problems; developing more satisfying personal relations; and coping with stress or emotional crisis. Faculty members are encouraged to call if they have concerns about a student. All counseling is strictly confidential.

In addition to one-to-one and group counseling for individuals and couples, workshop offerings vary throughout the year on topics such as vocational exploration, test anxiety-reduction, and stress management.

Counseling services are available to all enrolled NCSU students without cost except for a minimum fee for career testing. Appointments may be scheduled over the telephone by calling (919) 515-2424 or in person by coming to 2000 Harris Hall. Some evening appointments are available, and a counselor is on call 24 hours a day through Health Services, (919) 515-2563.

ACADEMIC ADVISING

Assistance provided by the Office of Adult Credit Programs & Summer Sessions through Adult Services includes **educational advisement, occupational information, general course selection and general University information.** Talk with an advisor or schedule an appointment by calling (919) 515-7007.

If you intend to eventually apply for admission to a degree program, contact with an admissions officer is required. For information on all matters concerning admission to NCSU, including transfer of credits from other universities and colleges, call the Office of Admissions, (919) 515-2437.

If you are an Undergraduate Studies Student (UGS) and you intend to enroll in a degree program in the College of Humanities and Social Sciences (CHASS), you may confer with the Coordinator of Evening Programs for CHASS. Appointments are available Monday through Thursday until 7:00 p.m. and may be scheduled by calling (919) 515-3638 or (919) 515-2467.

UGS students who intend to enroll in the College of Management should contact the Office of Academic Affairs within the College of Management (919) 515-5565.

Each college or department has a coordinator of advising, who can assist any student who wants to major in the coordinator's area of study but is ineligible at the time to transfer into it. These *Coordinators of Undergraduate Advising* are listed in the General Information Section in the front of this *Bulletin*.

If you are a Post-Baccalaureate Studies student (PBS) and you intend to eventually enroll in a graduate degree program at NCSU, you are urged to seek advice from the department in which you intend to enroll.

ADMISSION OF LIFELONG EDUCATION STUDENTS AS REGULAR DEGREE CANDIDATES

Any Undergraduate Studies student (UGS) who has completed at least 28 semester credit hours of "C" or better college level course work, including a college-level math and college-level English course, may apply to the Office of Admissions for admission as a regular degree candidate. Programs that are experiencing space limitations require a higher minimum grade point average for admission. These 28 hours may include those earned at North Carolina State University and at other accredited colleges or universities. The cumulative NCSU record must be satisfactory (2.0 or better) for consideration. Priority of admission will be given to transfer students at the junior level. Students should apply by the posted deadlines or *at least* six months before they expect to complete admissions requirements.

In addition, an adult Lifelong Education student who has no previous college experience may be considered for admission to a degree program upon completion of at least 15 hours of college level work with a "C" or better on each course at North Carolina State University, provided the record includes grades of "C" or better on at least one college-level English composition course and one college-level mathematics course appropriate to the student's desired major. Acceptance depends on space availability. The Undergraduate Admissions Office should be contacted (919 515-2434) to determine GPA requirements and programs experiencing space limitations.

An adult student seeking admission under the "Lifelong Education Student 15 Hour Provision" but having some previous college experience must either complete 15 hours at NCSU satisfactorily (including ENG 111 and a college-level math, excluding MA 101, if not completed at another institution) and must have a cumulative 2.0 (higher for some programs) GPA on *all* college-level work attempted. Or, the student must complete sufficient hours satisfactorily at NCSU so that he she has a total of 28 semester hours of satisfactory college-level work with a minimum cumulative 2.0 grade point average (higher for some programs).

If you graduated from high school in 1988 or later, you must meet the Minimum Admissions Requirements (MAR) established by the University of North Carolina System Board of Governors with respect to high school course preparation. In order to be considered for admission, you must provide high school transcripts indicating the minimum requirements have been met. The following high school courses are required:

- 4 units in college preparatory English
- 3 units in mathematics, including Algebra I, Algebra II, and Geometry
- 2 units in social science, including U.S. History
- 3 units in science, including a physical science, life science, and a laboratory course.

Students who graduated from high school before the spring of 1988 are exempt from MAR.

If you do not meet these requirements, you can be considered for admission only if you have received an A.A., A.S., or A.F.A. degree or have completed 24 semester hours (36 quarter hours) in the required subject areas at an accredited college or university. You must complete six semester hours (9 quarter hours) in each of the following subject areas: English, mathematics, science, and social science. In addition, you must meet all other admissions requirements with regard to grade point average.

NOTE: Registration as a Lifelong Education student in *no way* implies formal admission to an undergraduate degree program. In order to matriculate in a degree program, you must make separate application directly to the Office of Admissions, 112 Peele Hall, (919) 515-2434.

COURSE LOAD

THE MAXIMUM COURSE LOAD FOR ALL LIFELONG EDUCATION STUDENTS (BOTH UGS AND PBS) IS TWO COURSES PLUS ONE PHYSICAL EDUCATION COURSE EACH SUMMER SESSION.

EXPENSES

Tuition and Fees Rate Schedule Per Session

(Rates are Subject to Change)

All Undergraduate Studies (UGS) students are charged at the undergraduate rate. Post-Baccalaureate Studies (PBS) students who enroll in 100-400 level courses ONLY are also charged at the undergraduate rate. PBS students who enroll in any 500 or 600 level courses are charged at the graduate rate for all courses for which they are registered.

SPECIAL RATES AND DATES

Audits—There are no free audits in the summer sessions. Audit courses are charged the same rate as if the courses were for credit.

Thesis Preparation (GR 598 or GR 698), Dissertation Research (GR 697), Examination Only (GR 597), and Summer Research (GR 596S or GR 696S) are all charged the 0-Hours rate.

Cooperative Education Program Fee $212

College of Engineering Computer Fee ..... $ 35

May 10, 1994 (Tuesday at 5:00 p.m.)... payment due date for First Summer Session and Ten-Week Session

June 21, 1994 (Tuesday at 5:00 p.m.)... payment due date for Second Summer Session

May 30, 1994 (Monday at 5:00 p.m.) . . . *last day to withdraw or drop courses with a refund or reduction in rates—First Summer Session and Ten-Week Session

July 11, 1994 (Monday at 5:00 p.m.)... *last day to withdraw or drop courses with a refund or reduction in rates—Second Summer Session

*Tuition and fees charges are based on the official number of hours and courses carried at 5:00 p.m. on these dates.

SPECIAL NOTICES

1. Students registering during Registration Period #1 will be mailed a statement of tuition and fees a few days after Registration Period #1 ends. Students registering during Registration Period #2 will be mailed a statement of tuition and fees on a daily basis immediately after they register. The statement *must* be returned with full payment or complete financial aid information by the indicated due date or the scheduled TRACS space *will be cancelled.* It is important to remember that it is the full responsibilty of each student registering during Registration Period #1 and #2—whether they receive a statement or not—to make full payment or provide complete financial aid information to the University Cashier's Office by the appropriate due dates for each summer session. Failure to make full payment or provide proper financial information will result in the irretrievable cancellation of the prior class schedule. The NCSU Cashier's Office Payment Form appearing on page 23 can be used if a statement is misplaced or not received.
2. Students registering during Registration Period #3 (Late Registration Period) must pay tuition and fees *in person*, along with a late fee, *before* being allowed access to TRACS.
3. Required fees are included in the rates listed above and must be paid by all students. Students are entitled to the services, facilities, and programs offered by the Student Center, Health Services, Transportation Office, Physical Education Department, and Athletics Department. An itemization of required fees will be provided upon request.
4. Upon adding course work that results in an increased rate, students should pay at Room 1101, Pullen Hall. The tuition and fees charge is based on the official number of hours and courses carried at 5:00 p.m. on May 30, 1994 (First Summer Session and Ten-Week Session) or July 11, 1994 (Second Summer Session).
5. Returned Checks: A returned check fee of $20 will be assessed for dishonored checks. The University has the right to cancel the registration of any student whose tuition and fees are paid with a "returned" check.
6. College of Engineering Fee: All students enrolled in the College of Engineering (including the SBE, AST, BAE and TE curricula) will be charged this additional $35 per summer session fee.

NCSU STUDENT RIGHT-TO-KNOW DISCLOSURE

Data from The University of North Carolina General Administration show that 62.6% of the first-time full-time freshman students who entered North Carolina State University in Fall 1986 have received a baccalaureate degree from this institution or another UNC system institution as of Fall 1992. In addition, another 7.2% were enrolled at this institution or another UNC system institution as of Fall 1992. This information is provided pursuant to requirements of the Student Right-to-Know and Campus Security Act of 1990.

HOW TO ENROLL

All students (including Lifelong Education students) will use the **TRACS** system to enroll in the 1994 Summer Sessions. You will find detailed instructions on using **TRACS** in the front section of this Summer Sessions *Bulletin*.

GAINING ACCESS TO TRACS

Continuing Lifelong Education students (those of you who are *currently enrolled* in the 1994 Spring Semester) have already been sent your Personal Identification Number (PIN), and may enroll by following the **TRACS** instructions. You are not required to complete the Lifelong Education Student Registration Application. Please note that it is absolutely imperative that you notify Registration and Records if your address should change.

Re-entering Lifelong Education students (you *have been enrolled* at NCSU through the Office of Adult Credit Programs & Summer Sessions, *but* you are *not currently* enrolled in the 1994 Spring Semester) must complete the Registration Application and N. C. Residency Form which you will find in this section of the *Bulletin*. When you submit it to the Office of Adult Credit Programs & Summer Sessions (by mail, by fax, or in person at the McKimmon Center), you will be issued a PIN which will allow access to **TRACS**.

New Lifelong Education students (you have *never been enrolled* as a Lifelong Education student at NCSU) must complete the Registration Application and N. C. Residency Form found in this section of the *Bulletin*. When you submit it to the Office of Adult Credit Programs & Summer Sessions (by mail, by fax, or in person at the McKimmon Center), you will be issued a PIN which will allow access to **TRACS**.

THREE DISTINCT REGISTRATION PERIODS

PERIOD #1 — Entrance to **TRACS** is done by specific *window access* dates. Window access is based upon your current classification. All Lifelong Education students (UGS and PBS) who have obtained a PIN have a window access of April 19-21, 1994 for the First and Ten-Week Sessions and April 19-June 3, 1994 for the Second Session. The telephone lines will be open Monday through Friday from 7:30 a.m. to midnight and on Sunday from 2:00 p.m. to 11:00 p.m. *Period #1 is the best time to register.* If you register during this time, your chances of enrolling in specific times and sections are much better than they will be later. You will be sent a bill for your tuition and fees and for any other debts (parking fines, overdue library book fines, etc.) that may have caused a "Hold" to be placed on your registration. Paying your tuition bill by May 10, 1994 at 5:00 p.m. for the First and Ten-Week Sessions and June 21, 1994 at 5:00 p.m. for the Second Session will result in your being mailed a confirming copy of the schedule you have created for yourself using **TRACS**. Failure to pay by these dates will result in your schedule being cancelled.

PERIOD #2 — From April 22 through May 6, 1994 for the First and Ten-Week Sessions and June 5 through June 17, 1994 for the Second Session, you may register using **TRACS**. [NOTE: If you wish to obtain your PIN by mail, your Registration Application and N. C. Residency Form must be received by Adult Credit Programs & Summer Sessions no later than April 29 for the First and Ten-Week Sessions and June 10 for the Second Session.] During this period of time the telephone lines will be open Monday through Friday from 7:30 a.m. to midnight, and Sundays from 2:00-11:00 p.m. During Period #2, billing will be done on a daily basis and a statement for your tuition, fees and other outstanding debts will be mailed to you the next business day. If for some reason you do not receive a statement, it will be your responsibility to determine and submit full payment to the University Cashier and Student Accounts Office according to the Tuition and Fees Schedule printed above. [NOTE: The "NCSU CASHIER'S OFFICE PAYMENT FORM" on page 23 must accompany your tuition payment.] Payment must be made by 5:00 p.m. on May 10, 1994 for the First and Ten-Week Sessions and 5:00 p.m. on June 21, 1994 for the Second Session. Paying your tuition by these dates will result in your being mailed a confirming copy of the schedule you have created for yourself using **TRACS**. Failure to pay by these dates will result in your schedule being cancelled.

LATE REGISTRATION — A Late Registration Period will be held May 20 through May 30, 1994 for the First and Ten-Week Sessions and July 1 through July 11, 1994 for the Second Session. This is clearly the least preferred of the three registration periods. During this period, you will be required to pay tuition and fees, any "Holds" on your record, as well as a $10.00 non-refundable Processing Fee *in person* BEFORE you will be given access to **TRACS**. Keep in mind also, that many courses and sections may have been filled by students who registered during the first two registration periods. Detailed instructions for completing late registration will be available at the Office of Adult Credit Programs & Summer Sessions' Registration Desk in the McKimmon Center.

PLEASE NOTE: It is your responsibility to pay tuition and fees and all other debts owed to the University and clear all "Holds" even if you do not receive a tuition statement.

DROP/ADD

Once you have initially registered, you may make schedule changes (drop/add) anytime **TRACS** is operational. You are encouraged to make your schedule changes as soon as you are aware that they need to be made.

TRACS will close officially at the end of the drop/add period (May 30, 1994 for the First and Ten-Week Sessions and July 11, 1994 for the Second Session). No adds will be allowed after these dates.

NOTE: The May 30, 1994 date for the First and Ten-Week Sessions and July 11, 1994 for the Second Session is the last day to drop or withdraw with a refund. Please refer to the official refund statement contained in the Refund of Tuition and Fees section of this publication.

All drops processed by Lifelong Education students after the dates listed above must be handled in person at the McKimmon Center Registration desk.

IMPORTANT DATES FOR SUMMER 1994

Dates of great importance to you! Please remember that LIFELONG EDUCATION STUDENTS MUST ADHERE TO ALL DATES AND DEADLINES SET BY THE UNIVERSITY just as do degree candidates:

First Session

May 24 .....First day of classes
May 30 .....Last day to add a course; last day to withdraw or drop a course with a refund (NOTE: The tuition and fees charge is based on the number of hours and courses officially carried at 5:00 p.m. on this day.)
June 3 .....Last day to withdraw or drop a course at the 400 level or below without a grade, last day to change from credit to audit at the 400 level or below, last day for all students to change from letter grade to credit only.
June 10 .....Last day to withdraw or drop a course at the 500 or 600 level, last day to change from credit to audit at the 500 or 600 level.

Second Session

July 5 .....First day of classes
July 11 .....Last day to add a course; last day to withdraw or drop a course with a refund (NOTE: The tuition and fees charge is based on the number of hours and courses officially carried at 5:00 p.m. on this day.)
July 15 .....Last day to withdraw or drop a course at the 400 level or below without a grade, last day to change from credit to audit at the 400 level or below, last day for all students to change from letter grade to credit only.
July 22 .....Last day to withdraw or drop a course at the 500 or 600 level, last day to change from credit to audit at the 500 or 600 level.

Ten-Week Session

May 24(25)* ....First day of classes
May 30 .....Last day to add a course; last day to withdraw or drop a course with a refund (NOTE: The tuition and fees charge is based on the number of hours and courses officially carried at 5:00 p.m. on this day.)
June 14(15)* ...Last day to withdraw or drop a course at the 400 level or below without a grade, last day to change from credit to audit at the 400 level or below, last day for all students to change from letter grade to credit only.
June 21(22)* ...Last day to withdraw or drop a course at the 500 or 600 level, last day to change from credit to audit at the 500 or 600 level.

*First date for Tuesday/Thursday classes. Date in parentheses for Monday/Wednesday classes.

Dropping ALL of the courses for which you are registered constitutes WITHDRAWING from the University. If you find it necessary to drop ALL of your courses, you must initiate the WITHDRAWAL process with the Office of Adult Credit Programs & Summer Sessions.

STUDENT IDENTIFICATION CARDS

North Carolina State University has a permanent photo ID/registration card called the ALLCAMPUS CARD. AllCampus cards are used to gain access to various campus activities including: D. H. Hill Library, Clark Infirmary, physical education activities, Student Accounts, athletic events, and University Dining's meal plan program. The AllCampus card is also the card used by debit account depositors to access their funds at University Dining locations, the NCSU Bookstore, and the University Laundry.

No fares are required on Wolfline buses of students showing a valid AllCampus card.

Students continuing their studies during the Summer Sessions will use the cards they currently possess. New students can have their pictures taken and AllCampus cards made at the West Dunn Building located on the corner of Dan Allen Drive and West Dunn Avenue.

Office hours will be extended until 7:00 p.m. on May 24 and 25 and again on July 5.

Lost stolen cards can be replaced any regular business day at the AllCampus Office from 8:00 a.m. until 5:00 p.m. There is a non-refundable $15.00 service charge for this replacement card. For additional information, telephone (919) 515-3090.

University Dining will also be offering one meal plan for the summer sessions.

15 meals per week $230.00

For more information please come by the AllCampus office.

LATE DROPS OR WITHDRAWALS

The deadlines for dropping a course(s) or withdrawing from the University (dropping all courses for which enrolled) are listed under "Important Dates for Summer 1994" (above).

THE UNIVERSITY'S OFFICIAL DROP (WITHDRAWAL) DEADLINES APPLY TO *ALL* CURRENTLY ENROLLED STUDENTS INCLUDING LIFELONG EDUCATION STUDENTS. It is considered that after the last day of the official drop period a student has become a partner in an implied contract with the University to continue until the end of the session. Therefore, withdrawals without academic penalty are granted only when exceptional circumstances exist.

Lifelong Education students may petition to receive late withdrawals under the following three conditions:

1. Certification by a physician of inability to continue for medical reasons. Such medical petitions must be on the physician's letterhead or printed prescription tablet.
2. Certification by an employer of inability to continue for work-related reasons. Such certifications must be on the employer's letterhead and signed by a supervisor.
3. Verification by the Office of Adult Credit Programs & Summer Sessions of a documented hardship other than medical or work-related. The hardship must be one normally beyond the student's control or for which the consequences were reasonably unforeseeable.

Petitions for late drops or withdrawals for Lifelong Education students must be initiated at the Registration Desk, McKimmon Center and approved by the Office of Adult Credit Programs & Summer Sessions. Call (919) 515-2265 for additional information.

REPEATING COURSES WITHOUT PENALTY

A student is eligible to repeat without penalty a maximum of three courses (but not more than 12 credit hours) at the 100- and or 200-level provided all of the following criteria have been satisfied: (1) each course to be repeated was completed for the first time in the 1984 fall semester or during any regular semester or summer session thereafter at NCSU; (2) the student received a grade of D or NC F on each course to be repeated; (3) a student may not repeat without penalty a lower division course after having successfully completed an advanced course dealing with the same subject matter; (4) The student can receive the benefits of this policy only once for each course repeated; and (5) the repeat without penalty policy will not change the student's recorded grade point average for the semester in which the course was originally taken, however, it does affect the student's cumulative grade point average. *Note: Repeating a course does not retroactively change the probationary status.*

To repeat a course without penalty under this policy means that an eligible student who completes for the second time a 100- or 200-level NCSU course may have the grade points and the credit hours attempted and earned on the first completion of the course removed from the calculation of his or her cumulative GPA, and from the calculation of the total hours attempted under the provisions of the suspension policy. The course title and grade on the first completion will continue to be shown on the official record.

Notes: (1) The policy applies only to courses graded A, B, C, D, or NC F on both the first and second completion. (2) A student's grade point average that is modified as a result of a course repeat without penalty action may not be the grade point average recognized by other institutions. Students who intend to apply for admission to another institution for graduate, professional, or continuing undergraduate studies are encouraged to inquire about each institution's method for calculating a prospective student's grade point average.

Lifelong Education students may secure a Course Repeat Without Penalty Form from the Office of Adult Credit Programs & Summer Sessions' Registration Desk in the McKimmon Center.

MATHEMATICS ALTERNATIVES FOR ADULT STUDENTS

Mathematics is a stumbling block for many adults, more so than most other courses. However, it is reasonable to expect that anyone capable of doing college-level work is capable of mastering mathematics through introductory calculus without undue stress. It is a matter of approaching the subject systematically and progressively, not attempting more advanced concepts and skills until proficient in preliminary and prerequisite concepts and skills. Some guidelines are:

1. Introductory calculus (MA 121, MA 131) requires a sound and current background in a precalculus course (MA 107). MA 141 requires such a background in MA 111 or MA 107 *and* MA 108.

2. The precalculus courses (MA 107 and MA 111) assume a minimum of recent successful completion of two years of high school algebra and one year of formal geometry. Students who lack mastery of algebra but have been exposed to two years of high school algebra can take an intermediate algebra course (MA 101), a course that reviews main topics covered in high school Algebra I and Algebra II. This course is *not* recommended for beginning algebra students or for students whose past algebra work in high school was especially poor. This type of student should first study beginning algebra at another school such as a community college.
3. Generally, it is advisable to enroll in the highest level course you can handle and for which you satisfy all prerequisites unless you are extremely anxious about the subject. You can drop back to a lower level if necessary prior to the last day to drop a 400 (or lower) level course provided space is available. By then each math course will have had a major test that can be indicative of your proficiency. If you really feel very little confidence in your math ability, then take particular care in selecting your first course.
4. Some persons are sufficiently apprehensive about mathematics that they benefit from assistance in overcoming this anxiety prior to or concurrently with enrolling in a mathematics refresher program. The Counseling Center conducts periodic workshops in test and mathematics anxiety-reduction as well as individual assistance in modifying this counterproductive lack of confidence.
5. Once enrolled in a math course, a source of on-going assistance is the Mathematics Audio-Visual Tutorial Center in 244 Harrelson Hall, (919) 515-3157. Also, Tutorial Sessions which provide additional help in some math courses are offered in the evening. The schedule for these Sessions will be posted on the bulletin board near Harrelson 244.
6. If you need more help in determining where to start, especially with other than introductory courses, talk with the Associate Head, Department of Mathematics, 255 Harrelson Hall, (919) 515-2382. If you are relatively certain you need to start with an elementary course, but wish more information, talk with the coordinator of MA 101, Department of Mathematics and Science Education, 326 Poe Hall, (919) 515-2239.

NOTE: Lifelong Education students must take a *required* mathematics placement exam if they plan to enroll in an introductory mathematics course (MA 101, 103, 105, 114, 107, 111, 121, 131, or 141). Telephone (919) 515-7007 to schedule a test date.

TRANSCRIPTS

Official North Carolina State University transcripts are a complete record of a student's academic work at the University. These transcripts are issued on official "SCRIP-SAFE" paper and carry the pre-printed signature of the University Registrar, the date of issue, and the pre-printed seal of the University.

An official transcript is issued only at the written request or authorization of the student concerned. Transcript requests must be made in writing, either by mail, FAX, or in person to the Department of Registration and Records, 1000 Harris Hall, Box 7313, North Carolina State University, Raleigh, North Carolina 27695-7313. FAX (919) 515-2376. TELEPHONE REQUESTS FOR TRANSCRIPTS WILL NOT BE HONORED.

When making a request, one must include one's full name (including any names you may have used while at N.C. State), social security number, date of birth, date of last attendance and the exact address (including ZIP code) where the transcript is to be sent.

CHARGES: Requests received in person or by mail must be accompanied by a check or money order for $5.00. FAX requests must be accompanied by a Visa or MasterCard number. NOTE: The transmittal of transcripts from the Department of Registration and Records via FAX will be billed to a Visa or MasterCard number at a cost of $10.00 per transcript. *These fees are non-refundable.*

Transcript requests will normally be processed within 24 hours. However, a longer period of time may be required for processing at the end of each semester.

Official transcripts are not issued for those people who are indebted to the University until such indebtedness is paid or satisfactorily adjusted.

For more information, please contact the Department of Registration and Records, 1000 Harris Hall. Telephone (919) 515-2572.

NCSU SUMMER PARKING INFORMATION

Although you may notice a large number of available parking spaces during summer school at NCSU, please remember that parking regulations are still in effect during these summer months. You must display a valid parking permit between the hours of 7:30 a.m. and 5:00 p.m., Monday through Friday. The Division of Transportation, located in the Administrative Services Center on Sullivan Drive, will be pleased to give you information regarding how to purchase a parking permit and alternate modes of transportation. Call (919) 515-3424 for details.

The following information is provided for students who must park their personal car on campus:

1. Students may acquire a parking permit for a vehicle owned by their spouse, parent, child, legal guardian or themselves.
2. Students must present their current motor vehicle registration card and AllCampus ID card when purchasing a permit.
3. Students whose classes begin after 5:00 p.m. may park in most campus lots in designated spaces

between 5:00 p.m. and 7:30 a.m., Monday through Friday, weekends, and official University holidays except in those spaces marked as being "24 hours reserved" and any other no parking areas.

Wolfline bus service will be available during both summer sessions. Currently planned service areas are Avent Ferry, Fraternity Court/Centennial Campus, King Village Vet School, including the park and ride lot located at the State Fairgrounds (corner of Blue Ridge and Trinity Roads). No permit is required in the park and ride lot. A valid student AllCampus Card is all that is required to ride the bus.

We hope this information will assist you in planning your parking needs for summer school. If you have any questions, please contact the Division of Transportation at (919) 515-3424.

NCSU BOOKSTORES

Normal operating hours for the NCSU Bookstores (when classes are in session) are 8:00 a.m. to 6:00 p.m. Monday, Wednesday, Thursday, Friday; 8:00 a.m. to 8:00 p.m. Tuesday; and 10:00 a.m. to 5:00 p.m. Saturday. Summer hours are 8:00 a.m. to 5:00 p.m., Monday-Friday only.

EVENING HOURS ESCORT SERVICE

The Department of Public Safety provides an evening escort service. Student Patrol officers will provide walking escorts from the onset of darkness until midnight. Escort requests are answered as soon as possible following the request. To summon the Student Patrol officer call Public Safety, 515-3333, or simply pick up a "blue-light" telephone. Blue-light telephones are located strategically around campus and are clearly marked by blue lights which are on 24 hours a day. Telephones are connected directly to the Public Safety switchboard.

EVENING DEGREE PROGRAMS

Students who work full-time during the day or have other extensive daytime responsibilities may be able to complete an undergraduate degree during the evening hours at NCSU. While NCSU does not have an "evening college" or separately administered evening degree programs, NCSU does allow students admitted to degree programs to attend classes on a part-time, as well as a full-time, basis. Students arrange their own class schedules each semester from University course offerings and may choose evening classes, daytime classes, or a combination of the two.

The University, the College of Management, and the College of Humanities and Social Sciences (CHASS) try very hard to assure that courses to meet the bachelor of arts general education requirements will be offered in the evening hours over the course of several semesters. In addition, a number of departments in these colleges make enough course work available in the evening hours within several years that students in selected majors are able to earn a degree in the evening. These majors include:

- Business Management
- Communication (General Communication and Public Relations options)
- English (including the Writing-Editing option)
- History
- Multidisciplinary Studies (see below for further information)
- Political Science (including the Criminal Justice option)
- Sociology (including the Criminal Justice option)
- Spanish

For further information about these degree programs, contact the Coordinator of Advising for the appropriate department, listed on page 11: Lynda Hambourger, Coordinator of Evening Programs, CHASS, (919) 515-3638, or the Office of Academic Affairs in the College of Management, (919) 515-5565.

Evening degree students may make use of transfer credits, credit-by-examination credits, and CLEP (College-Level Examination Program) credits to complete degree requirements. They may also use credits earned through cable-TV courses, videocassette courses, and Independent Studies (correspondence) courses. These last options are discussed in more detail below.

CHASS undergraduate evening degree students may receive registration materials through the mail. To be put on the mailing list, such students should contact Lynda Hambourger, Coordinator of Evening Programs, CHASS, (919) 515-3638. College of Management undergraduate evening degree students may receive registration assistance by contacting Andy Nowel, Director of Evening Programs, College of Management, (919) 515-5565.

At the graduate level, a number of degree programs are available in the late afternoon or evening hours. These include:

- Accounting
- Economics
- Education (most but not all programs; refer to the specific department for further information)
- English
- Industrial Engineering

- History (including Archival Management)
- Liberal Studies (see below for further information)
- Life Sciences
- Master of Science in Management
- Public Affairs
- Technical Communication

Contact the Graduate School, (919) 515-2871, or the appropriate department for further information.

Other undergraduate and graduate degree programs may be made available in the late afternoon and evening when both demand and resources are sufficient to offer them.

MULTIDISCIPLINARY STUDIES CONCENTRATIONS FOR EVENING STUDENTS

A bachelor of arts degree in multidisciplinary studies (MDS) may be an attractive option for adult evening students for several reasons:

- Because it follows the CHASS general education requirements, the MDS degree provides students with the writing, speaking, and critical thinking skills and the knowledge of our own and other cultures characteristic of a strong liberal arts education.
- Under the MDS program, students have the opportunity to design their own majors by organizing a concentration or field of specialization from two or more academic disciplines. For example, a concentration in Business Organization and Communication might combine courses in business management, communication, and computer science. A concentration in American Studies might combine courses in English, history, and political science. A concentration in Advertising might combine courses in business management, English, and psychology. In addition to using NCSU evening courses (such departments as Accounting, Business Management, Communication, Computer Science, Economics, English, Foreign Languages and Literatures, History, Mathematics, Political Science, Psychology, and Sociology and Anthropology offer upper-level undergraduate courses in the evening hours), evening students may also use transfer courses, independent study courses, and, if their schedule permits, NCSU daytime courses, to build their major concentration.
- The MDS program allows a large number of free elective credits, giving students room to put transfer and other previously earned credits that do not meet general education or major (concentration) requirements. For students who do not have a large number of transfer credits, these free elective slots may be used to pursue a minor course of study in one of the departments that offers sufficient evening courses or to take other course work of interest.

MDS concentrations are designed with the help of an adviser and must meet MDS guidelines and be approved by the faculty MDS committee. For further information, contact Lynda Hambourger, Coordinator of Evening Programs, CHASS, (919) 515-3638.

THE MALS PROGRAM

The Master of Arts in Liberal Studies degree at NCSU is a broad, interdisciplinary program of part-time graduate study that integrates and expands awareness and that is geared to a student's personal interests. Each student, in consultation with an academic adviser, designs an individual program of study. This curriculum will be based on an interdisciplinary theme or topic that is of intrinsic interest to the student or that relates to the student's professional or vocational interests. Students will have the opportunity to take regular courses from a number of NCSU departments. They will also take special MALS seminars designed specifically for the MALS program and taught by "master teachers" at NCSU.

The degree requirements consist of 30 credits of course work, or 10 three-credit-hour courses, including:

1) three MALS seminars
2) six courses that make up the student's interdisciplinary concentration
3) a three-credit-hour culminating project

Students will be free to design their own individual six-course interdisciplinary concentrations. Examples of concentrations that are well supported by graduate courses, presently in the NCSU curriculum are:

Science, Technology, and Society
National and International Issues and Decision-Making
The American Experience

For further information contact Dr. Charles Korte, Director, Master of Arts in Liberal Studies Program, 2806 Hillsborough Street, (919) 515-2470.

CERTIFICATE PROGRAMS

NCSU offers several Certificate Programs which are structured packages of courses intended to provide specific knowledge and skills for persons who either do not need or want a complete degree program in the subject. These programs are expressly for Lifelong Education students.

The courses required for these programs are generally available day and evening in each regular semester and during the summer sessions. Although every class may not be offered in the evenings every semester, the selection usually permits the student to complete the program in approximately two years.

Certificate Programs currently available are:

1) Computer Programming (for PBS students only)
2) Gerontology (for PBS students only)
3) Human Communication Processes
4) Management Development (for PBS students only)
5) Training and Development (for PBS students only)
6) Professional Writing
7) Textiles (for PBS students only)

For additional descriptive and informational material, contact the Office of Adult Credit Programs & Summer Sessions' Registration Desk at the McKimmon Center (919) 515-2265.

OFF-CAMPUS CREDIT COURSES

A number of NCSU courses are available off campus to individuals who require the accessibility and flexibility of off-campus study. Through videocassette, cable TV (Raleigh's Channel 18) and live off-campus instruction, the University extends its academic resources across North Carolina and around the country.

In addition to providing academic credit toward educational goals, off-campus courses are a means for developing professional skills and satisfying intellectual curiosities. Complete graduate programs are available in engineering, textiles and textile chemistry while a variety of individual courses are available, at all levels, in many disciplines.

Off-campus credit courses are administered on a self-supporting basis resulting in a tuition cost different from that charged for on-campus courses.

For additional information, contact Adult Credit Programs & Summer Sessions, (919) 515-2265.

INDEPENDENT STUDIES

In addition to the classes listed in this *Bulletin*, many undergraduate courses are available through the Independent Studies (correspondence instruction) program. This program allows students to enroll at any time, to work at their own pace, and to take up to nine months to complete a course. For information, contact Independent Studies, The Friday Center, Campus Box # 1020, UNC, Chapel Hill, North Carolina 27599-1020, (919) 962-1107. Course listings are also available at the McKimmon Center.

COURSES VIA CABLE

University courses are cablecast each semester on Cablevision of Raleigh Channel 18 and Channel 20 in Knightdale and Zebulon. Registrants "attend class" by viewing the televised lectures. These tele-lectures are conducted with on-campus students present and include their questions and discussions. Interaction with the faculty and testing is achieved through mail, telephone and or visits to campus. The summer cable course schedules run from 10 to 15 weeks encompassing both summer sessions. Most courses start on June 1 on Education Channel 18 in Raleigh and Channel 20 in Knightdale and Zebulon.

Courses Via Cable for Summer 1994 are:

- FLF 101 Elementary French I
- MA 101 Intermediate Algebra
- NTR 301 Introduction to Human Nutrition
- PE 230 Step Aerobics

Tuition for students registering for credit ranges from $230 to $280. Textbooks are not included in the tuition.

To obtain descriptions of current cable course offerings and registration information contact the NCSU Office of Instructional Telecommunications at (919) 515-7730 or visit the office in the McKimmon Center Room 218. *Note: It is not possible to register in Courses via Cable by TRACS.*

COURSES via VIDEOCASSETTE

Each semester North Carolina State University offers credit courses on cable television. After completing their first run on cable, many of these courses are then made available on videocassette. Registrants using our Courses via Videocassette program receive a full set of course tapes along with accompanying materials. Over a four-month period of time, registrants view approximately 40 hours of class presentations and discussions, complete the assignments, and then take examinations at their convenience. The original faculty member provides the administration of the course and interacts with the student.

Courses available via videocassette include:

ACC 220	Accounting II
BUS 305	Legal Environment of Business
COM 112	Interpersonal Communication
CSC 200	Introduction to Computers and Their Uses
EAC 582	Organization and Operation of Training & Development Programs
EAC 504	Leadership in Higher and Community College Education
EAC 596	Providing for Management and Leadership Development
ENG 261	English Literature
ENG 265	American Literature I
ENG 326	History of the English Language
FLF 101	Elementary French I
HS 100	Home Horticulture
MA 103	Topics in Contemporary Mathematics
PE 231	Body Conditioning and Aerobics
PS 312	Introduction to Public Administration
REL 300	Religious Traditions of the World

Tuition for these courses ranges from $195 to $320 depending on the number of course credits. Textbooks are not included in the tuition.

To obtain descriptions of current Courses via Videocassette offerings and registration information contact the NCSU Office of Instructional Telecommunications at (919) 515-7730 or visit the office in the McKimmon Center Room 218. *Note: It is not possible to register in Courses via Videocassette by TRACS.*

SCHEDULE OF AFTERNOON AND EVENING CLASSES

The following afternoon and evening classes are scheduled primarily for the convenience of Lifelong Education students and Evening Degree students who are unable to attend day classes.

Courses numbered 100 and 200 are considered lower level undergraduate courses. Courses numbered 300 and 400 are considered upper level undergraduate courses. Graduate level courses are numbered 500 and 600. Advanced undergraduates and persons holding baccalaureate degrees are eligible to enroll in 500-level courses. Courses at the 600-level are open only to persons holding baccalaureate degrees. Consent of the department is required for all practicum and individual "special topics" or "special problems" courses as well as internships and theses or dissertation research. Refer to the Undergraduate and Graduate Catalogs for course descriptions and prerequisites.
